RACE ONE

STEWARDS' LAST START INFORMATION

UNTERHALTSAM raced wide for a majority of the event. TAKARA commenced awkwardly and bumped. MR O'CONNER mis-strode approaching the 800m losing considerable ground. Rider reported that the gelding felt uncomfortable in its action and as a result took no further competitive part in the event. A post race Veterinary examination failed to reveal any abnormalities.

GEAR CHANGES: Nil.

RACE TWO

STEWARDS' LAST START INFORMATION

BROWN BOTTLE pulled hard in the early and middle stages. AMBROSE commenced awkwardly. Dislodged its rider shortly after the start. THINGS HAVECHANGED inclined to lay inwards over the final 250m with its rider changing the whip to his left hand near the 150m. When questioned regarding the seemingly improved performance, Trainer stated that in his opinion the gelding was not suited by racing in consecutive weeks at its previous start and further he had reduced the gelding's workload in preparation for today's event. THREE UP commenced awkwardly making contact with the barrier partition.

GEAR CHANGES: CAN'T CATCH MOUSE - Blinkers On, Lugging Bit On.

RACE THREE

STEWARDS' LAST START INFORMATION

DESERT HURRICANE raced wide on straightening.
