NOMINATION CONDITIONS

As the Owner, Trainer, or person authorised by the Stewards to nominate this greyhound, I acknowledge acceptance of the rules and policies governing nominations as outlined by RWWA.

1. If the greyhound is to be raced in the name of two or more persons, only the Manager or Trainer is authorised to nominate the greyhound for any race (refer Rule 126).
2. The Owner(s) or the Registered Lessee(s) and the Trainer of the greyhound named herein must be holders of current Registration Certificates issued by the Authority or an Approved Registration Authority (controlling body) as defined in the Rules of Greyhound Racing.
3. The prizes offered will be awarded subject to the statements herein contained being strictly accurate.
4. Faxed nominations for feature events will not be accepted on this form and must be lodged on the specific Feature Event Nomination Form printed for that event.
- * A greyhound obtains last start reserve status, from a reserve position, when it was not required (i.e. was not withdrawn for any reason and didn't obtain a start) at a race meeting that has been conducted, or had the scratchings completed for.

Last start reserve status can be used to obtain a start in the same class of event, at the same track, over the same distance, for the next 14 days only, providing the greyhound is not engaged to race or has not raced in the meantime at any track.

The class, track, distance and date details should be completed to claim last start reserve status.
