STEWARDS ADVICE: The Heat Policy was applied to tonight's race meeting. Several measures were taken to limit and moderate all greyhounds' exposure to these conditions. These included but were not limited to, greyhounds went straight to the starting boxes for all races (no parading), greyhounds did not return to the dais after racing, greyhounds were held in the air-conditioned kennels for at least 20 minutes after competing; under the observation of the O.T.V, greyhounds were not loaded into their transport vehicles until leaving immediately thereafter, barking muzzles are fully prohibited in greyhound racing and ample hydration and cooling practises were implemented both at kennelling time and during the race meeting. No cases of Heat Stress were reported to Stewards or signs of distress, due to the heat, were observed by the O.T.V.

The Heat Policy was lifted by the O.T.V. at 8.00pm.

The start of the race meeting was delayed due to a maintenance issue with a tyre on the water tanker. A tyre fitter was called to help rectify the issue and with the help of Greyhounds WA staff they were able to get the water tanker back into operation.
All dogs were kennelled during the advertised kennelling time however due to the water tanker being out of operation the race meeting was indefinitely delayed.
Stewards conducted a formal interview after the conclusion of kennelling with OTV Dr J Moore, WAGRA CEO Mr N Reilly, WAGRA Track Manager Mr M Dailly and WAGBOTA President Mr T Mullany.
Mr Dailly advised that although there was a disruption to the normal preparation of the track he was confident that after three full tanks of water and then an additional full flow the track would be in race condition.
Mr T Mullany advised he had consulted with the trainers and that they had consented to proceeding with the race meeting. Dr J Moore was also satisfied with the revised track preparation. Dr Moore advised that she would be paying close attention to any greyhounds disadvantaged by the extended time spent in the kennels if racing proceeded and race times extended, particularly those greyhounds engaged in the latter races.
A track inspection was conducted and attended by all parties at 6.40pm and the All Clear was given for the race meeting to commence. Subsequently races times were amended as follows: Race 1 7.06pm, Race 2 7.32pm, Race 3 7.47pm, Race 4 8.07pm, Race 5 8.30pm, Race 6 8.45pm, Race 7 9.08pm. Race 8 9.23pm, Race 9 9.42pm, Race 10 9.57pm, Race 11 10.12pm, Race 12 10.27pm.
