STEWARDS ADVICE:
As the lure was put into motion for the commencement of Race 6, a power surge caused some track lights to go off, resulting in Race 6 being run with only the remainder of the lights which were functional. An announcement was made to hold all tickets whilst Stewards reviewed the video footage of the race. After careful consideration Stewards were of the opinion that this had no impact on the outcome of the race and subsequently the all clear was semaphore.

On the 13th May 2019, Trainer Mr S Withers advised Stewards that NOEL'S CHOICE had pulled up with a sore hip support, following the running of race 4 at Greyhounds WA Mandurah on the 10th May.
