STEWARDS ADVICE:
At the completion of Race 1 Stewards sounded the warning siren making an announcement to the on course patrons and TAB, to "HOLD ALL TICKETS". This was due to the lure cover failing to be removed prior to the start of the race and remaining attached to the lure for the entirety of Race 1. After viewing the video replay and taking advice from all Stewards, there was an unanimous decision and therefore declared Race 1 a "NO RACE". An announcement was made to the on course patrons and TAB. The last weights were cancelled from the weight books. All prize money will be distributed evenly among the relevant connections.

Stewards interviewed Mr Bronson Dewar (Starter) in relation to the lure cover not being removed prior to the running of Race 1. Mr Dewar explained that he was not told there was no parade steward for the night and if he was notified he would of removed the cover off the lure. Mr Dewar was cautioned and reminded that he needs to show more awareness when conducting his duties as a starter.

Stewards interviewed Mr Rob Archibald (Lure driver) in relation to the lure cover not being removed prior to the running of Race 1. Mr Archibald explained that being so far away from the lure and the cover being on the other side of the rail makes it very difficult for him to see if the cover has been removed. Mr Archibald was cautioned and reminded of his responsibilities before setting the lure in motion.

Stewards interviewed Mr Troy Marsden (Kennel supervisor) in relation to the lure cover not being removed prior to the running Race 1. Mr Marsden explained that he forgot to tell the starter, Mr Bronson Dewar that he would need to remove the cover off the lure for the entire night due to no parade steward. Mr Marsden was cautioned and reminded of his responsibilities as a kennel supervisor in particular communicating with his staff.
