STEWARDS ADVICE: The Heat Policy was applied to tonight's race meeting. Several measures were taken to limit and
moderate all greyhounds' exposure to these conditions. These included but were not limited to, greyhounds went
straight to the starting boxes for all races (no parading), greyhounds did not return to the dais after racing, greyhounds
were held in the air-conditioned kennels for at least 20 minutes after competing; under the observation of the O.T.V,
greyhounds were not loaded into their transport vehicles until leaving immediately thereafter, barking muzzles are fully
prohibited in greyhound racing and ample hydration and cooling practises were implemented both at kennelling time and
during the race meeting. No cases of Heat Stress were reported to Stewards or signs of distress, due to the heat, were
observed by the O.T.V.

As a result of the heat policy being applied, no pre-race sampling was carried out.

All races tonight were conducted with the finish on lure system.
