STEWARDS ADVICE: Race 2 was declared a No Race when the lure was driven outside the prescribed distance as the field approached the second turn. The leader at that point in time was RAPIDO LASS. The warning siren was immediately activated and a public announcement was made to hold all tickets whilst Stewards considered the matter. After viewing all the video footage, particularly the head on vision, the Stewards were of the opinion that RAPIDO LASS was inconvenienced as a result of the lure being driven outside the prescribed limit (5-8 metres from the leading greyhound). Subsequently and in accordance with GAR 56(1), Stewards declared Race 2 a No Race. Further, Stewards ordered that all betting monies be refunded in full and the stake money to be evenly distributed amongst the eligible owners.

The lure driver was interviewed by the Stewards in respect to the drive in Race 2. Mr Regan advised the Stewards that he failed to react adequately and consequently he was caught out on the second turn. The Stewards took into account that Mr Regan, being the only approved lure driver on course did drive the next 10 races to the Stewards satisfaction. The Stewards also took into account the overall financial impact on the industry due to a No Race being declared and also Mr Regan's very good driving record. In all the circumstances Stewards determined that Mr Regan be suspended from driving the lure for a period of 3 weeks. This does not include public trials.
