### STEWARDS ADVICE:

The Heat Policy was applied to tonight's race meeting. Several measures were taken to limit and moderate all greyhounds' exposure to these conditions. These include but were not limited to, greyhounds went straight to the starting boxes for all races (no parading), greyhounds did not return to the dias after racing, greyhounds were held in the air-conditioned kennels for at least 20 minutes after competing; under the observation of the O.T.V, greyhounds were not loaded into their transport vehicles until leaving immediately thereafter, barking muzzles are fully prohibited in greyhound racing and ample hydration and cooling practises were implemented both at kennelling time and during the race meeting. No cases of Heat Stress were reported to Stewards or signs of distress, due to the heat, were observed by the O.T.V. The Heat Policy was removed after Race 10.

The warning siren was sounded and the TAB was advised to "hold all tickets" for Race 4 after the boxes opened prematurely before the lure reached the starting point. The Stewards deliberated briefly and declared race 4 a no race. The Tote was advised to refund all bets and stake money to be distributed in accordance with R111(3) with all weights for the greyhounds competing to be voided.

Extensive testing of the 405m boxes was conducted prior to the running of race 6 by the Stewards and WAGRA Track staff before the all clear for racing to commence from the 405m boxes was given. Race 6 was delayed 8 minutes and jumped at 8.40pm. No other races were affected.
