The Heat Policy was applied to tonight's race meeting. Several measures were taken to limit and moderate all greyhounds' exposure to these conditions. These include but were not limited to, greyhounds went straight to the starting boxes for all races (no parading), greyhounds did not return to the dais after racing, greyhounds were held in the air-conditioned kennels for at least 20 minutes after competing; under the observation of the O.T.V, greyhounds were not loaded into their transport vehicles until leaving immediately thereafter, barking muzzles are fully prohibited in greyhound racing and ample hydration and cooling practises were implemented both at kennelling time and during the race meeting. No cases of Heat Stress were reported to Stewards or signs of distress, due to the heat, were observed by the O.T.V.

Following the running of Race 12, the Judges incorrectly semaphored the incorrect number for the fourth greyhound. The correct numbers were subsequently semaphored, being 1, 8, 5, & 4 and the All Clear was posted.
