

AMENDMENTS TO RWWA RULES OF HARNESS RACING

The Racing and Wagering Western Australia Board has repealed the local rules of racing, in each code, which required COVID-19 vaccination for racing participants.

These rules, which have been in place since 5 February 2022, has been vital in safeguarding the operation of racing through the pandemic but are no longer required.

Licences for racing participants which had been cancelled or suspended due to non-compliance with the rule will be reinstated.
