STEWARDS ADVICE: The Heat Policy was applied to tonight's race meeting. Several measures were taken to limit and moderate all greyhounds' exposure to these conditions. These included but were not limited to, greyhounds went straight to the starting boxes for all races (no parading), greyhounds did not return to the dais after racing, greyhounds were held in the air-conditioned kennels for at least 20 minutes after competing; under the observation of the O.T.V, greyhounds were not loaded into their transport vehicles until leaving immediately thereafter, barking muzzles are fully prohibited in greyhound racing and ample hydration and cooling practises were implemented both at kennelling time and during the race meeting. No cases of Heat Stress were reported to Stewards or signs of distress, due to the heat, were observed by the O.T.V.

Stewards queried the apparent poor performance of NOEL'S CHOICE from Race 5 who started \$1.70 favourite and finished last in a time of 31.40 over 520 metres. NOEL'S CHOICE was vetted on two separate occasions which revealed no injury. Trainer Mr Luke Garbutt explained that he was disappointed in the run and believes that NOEL'S CHOICE pulled up injured.
