STEWARDS ADVICE: The Heat Policy was applied to tonight's race meeting. Several measures were taken to limit and moderate all greyhounds' exposure to these conditions. These included but were not limited to, greyhounds went straight to the starting boxes for all races (no parading), greyhounds did not return to the dais after racing, greyhounds were held in the air-conditioned kennels for at least 20 minutes after competing; under the observation of the O.T.V, greyhounds were not loaded into their transport vehicles until leaving immediately thereafter, barking muzzles are fully prohibited in greyhound racing and ample hydration and cooling practises were implemented both at kennelling time and during the race meeting. No cases of Heat Stress were reported to Stewards or signs of distress, due to the heat, were observed by the O.T.V.

The Heat Policy was lifted at 8.30pm.

Following the running of Race 1 Stewards sounded the warning siren and advised patrons together with the TAB to "Hold All Tickets". The "No Race" signal was inadvertently posted on the semaphore board and announced. The race caller immediately announced to patrons to disregard the "No Race" and to "Hold All Tickets". This was due to the length of the lure on the home turn and in the home straight.

After viewing the race replay and taking advice from all the Stewards, including their live observations, Stewards were satisfied with the running of Race 1 and subsequently the "All Clear" on numbers 4, 1, 5 and 6 was announced.

Following the running of Race 4, Stewards interviewed Lure Driver Ms C Gray in relation to the inconsistent lure drives for the first four races. Ms Gray explained that after an incident during the running of Race 1 she lost some of her confidence which in turn affected her lure drives.

After consideration Stewards were of the opinion that Ms Gray should be stood down for the remainder of tonight's race meeting. Acting under R20(3)(h) Stewards appointed Mr R Archibald as the lure driver for Races 5-12.
