STEWARDS ADVICE:

The race meeting at Northam was abandoned after the running of race 5 after a dugite snake was spotted in the vicinity of the track. Following unsuccessful attempts to safely secure it, which included a trained snake catcher being called on course, Stewards in consultation with other officials and trainers, determined it would be a risk to continue with the race meeting and as a result the race meeting was subsequently abandoned.

The Club has been requested to take the necessary steps to ensure that the snake has been removed from the track and surrounding areas, prior to the next event being conducted.

CROCODILE SENOR was examined by the on course veterinarian surgeon who cleared the greyhound of its previous injury which resulted in it being a late scratching at Mandurah on Friday 2nd November 2018. A urine sample was taken for analysis.
