Introduction

Racing and Wagering Western Australia has the pleasure of presenting the Racing Industry Status Report for 2017/18.

The purpose of the report is to provide information that will give stakeholders and other interested parties a snapshot of the status of the WA Racing Industry for the year. The information provided covers racing and wagering statistics for all three codes.

2017/18 was a 53-week financial year, so incorporates an additional week's racing to the data published for the previous five years.*

The report incorporates and complements information published by the Department of Local Government, Sport and Cultural Industries.

Richard Burt
Chief Executive Officer
Racing and Wagering Western Australia

*Note: The RWWA financial year for 2017/18 covered 53 weeks from 28/07/2017 to 02/08/2018.

Disclaimer
Every effort has been made to provide accurate information in this report and sources have been asked to verify the information provided. However, no warranty as to the accuracy of the information can be provided and readers are cautioned in this regard. In particular, different reporting schedules, accounting practices, and variances in procedures from state to state have, in some tables, necessitated the manipulation of the data to provide useful comparisons.
