

RACING AND WAGERING WESTERN AUSTRALIA

HARNESS – TRAINER’S AUTHORITY

Where a trainer intends to leave his horse with another licenced trainer or another person, the trainer must obtain approval from the stewards prior to doing so. (Rule 119A(1)).

If a licenced driver is given approval to be in charge of the horse and they wish to drive in the race in which the horse is engaged, they must drive that horse (Rule 152(5))

If a horse is presented to race not free of a prohibited substance, and a person is left in charge of that horse, the trainer and the person left in charge are each guilty of an offence. (Rule 190(3))

Use this form to authorise a person who holds a current grade A or B trainer and or driver licence to present a horse(s) to race on your behalf where you are unable to attend a race meeting(s).
