

Harness Racing | Notice to Participants

Temporarily in charge of a horse

Effective 25 May 2017

Rule 119A(1) states:

Where a trainer intends to leave his horse with another licensed trainer or another person the trainer must obtain approval from the Stewards prior to doing so.

The trainer must also provide a written authorisation to be submitted to the stewards at the race meeting.

Therefore, if trainers are unable to attend a race meeting and they wish to leave their horse with a licenced trainer or driver, they must seek permission from the stewards prior to the race meeting.

Please note if permission is granted and the person in charge is a driver, and they wish to drive in the race in which that horse is engaged, they must drive that horse, as per Rule 152.
