## Trainers Obligations

Effective 25 May 2017

### Trainers with multiple runners in any one race

Trainers with multiple runners in any one race are required to attend the stewards' room upon arrival on course to advise the intended driving tactics to be adopted for their runners.

### Horse Unattended

Horses are not to be left unattended at any time on a racecourse. Rule 211 states:

***A trainer or other licensed person for the time being in charge of a horse shall not leave the horse unattended at a racecourse whether in a stable or elsewhere.***

An unattended is a welfare issue. If a horse is selected for pre-race swabbing and is unattended, it can interfere with the timing of that swab sample which may result in the horse have to be detained on course two hours post race for the sample to be obtained
