RACING AND WAGERING
WESTERN AUSTRALIA

FROM THE RACING MANAGER

RACE VENUE CHANGES

The Northam racing season has been postponed during the Covid-19 outbreak. This has been done to reduce the movement of people and animals and maintain our racing footprint to 2 venues during these uncertain times.

The Sunday venue will be alternating between Cannington & Mandurah whilst the Northam season is postponed.

SUSPENSION OF FINISH ON LURE RACE MEETINGS

Until further notice Finish On Lure race meetings have been suspended.

This is due to the social distancing requirements and the difficulty to manage social distancing at the end of a finish on lure race.

RWWA COMPLIANCE OFFICERS AND TEMPERATURE TESTERS

RWWA staff that have been reassigned from other parts of the business are carrying out the role of a compliance support officers and temperature testers.

They are oncourse carrying out an important role to ensure we comply with regulations and do all that we can do to keep racing and will be acting under the powers of the stewards.

Please note that if your temperature is 37.6 and above you will have a second test conducted 10 minutes after the first one and if the temperature has not come down access to the course will be denied.

Please ensure that all participants that are going to a race meeting have their RWWA issued licence cards on them and present their licence upon entry to the track.

STAKE MONEY AND WESTCHASE 20% REDUCTION

The COVID-19 pandemic has had a profound impact on all levels within the community. The Federal Government have described the pandemic as both a public health and economic crisis and whilst racing throughout Australia is continuing on the basis of sound animal welfare and employment reasons unfortunately our business like so many, has been negatively impacted by the virus.

In light of the national and international public health response to the COVID-19 pandemic and subsequent impact on Racing and Wagering Western Australia's (RWWA's) income, the decision has been made to reduce overall expenditures to sustain and boost the WA racing industry over the longer term.

RWWA's Board has adopted the principle of equitable sharing of expenditure reductions across all aspects of its own operations and distributions to the three racing codes. RWWA has implemented business continuity plans and is finalising changes to its internal operations to significantly reduce ongoing operating expenditures to assist in mitigating the impact of declining income.

In addition to reductions in its own cost base, RWWA will also be reducing prizemoney and WESTCHASE bonuses by 20% effective from Monday 6 April.

RWWA CEO Richard Burt said the necessary social distancing and containment restrictions caused by the COVID-19 virus had impacted significantly on its income through the WATAB.

"National and international sports and international racing has all but shut down in addition to the recent complete closure of our 330 outlet retail network which accounts for around 50% of the WATAB business," Mr Burt said.

Prizemoney and bonuses across all three codes of racing will be reduced by 20%, with the exception of some races where current stakes levels must be retained to allow the premium rate to continue to be applied to wagering operators under the Racing Bets Levy Act 2009.

Under the Act, a premium rate is applied to wagering operators where there is one \$100,000 race scheduled at thoroughbred race meetings, and one \$30,000 race at harness and greyhound meetings. Therefore, to continue to maximise industry revenues through this levy, stakes will not be reduced on races to maintain the minimum threshold required.

The WA racing industry is funded from the profits of the RWWA-operated WA TAB, together with all proceeds from the Racing Bets Levy and part proceeds of the Point of Consumption Tax paid by all wagering operators to the WA Government.

"These changes to stakes together with RWWA's reserves and other operational savings are being held for use in supporting the racing industry over the coming months. RWWA is actively supporting the continuance of racing at 80% of historical stakes levels even though its income has been impacted by at least 50%," Mr Burt said.

"RWWA anticipates supporting key elements of the racing industry to ensure it survives the crises both during the period it continues racing and if the industry were required to shut down. Under a complete shutdown, RWWA will effectively have no income but will be able to provide some relief to industry through the use of this fund."

"We recognise how difficult the situation is for our racing participants and this decision has been made to mitigate some of the impacts from the evolving situation and high level of uncertainty of COVID-19, to ensure the long-term survival of the State's racing industry."

"These are unprecedented times and we thank the industry for their ongoing support and cooperation and it is these necessary measures that will assist us in getting through these challenging times as an industry together."

RWWA THANKYOU

RWWA would like to thank all participants for their understanding and patience during these uncertain times. All participants are adhering to the new policies often at the drop of a hat when new advice comes through.

RWWA will continue to communicate any changes directly via the text message service, RWWA Website and through social media channels.

FROM THE RACING MANAGER

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes.

This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care.

Please find an update on greyhounds accessing the GIFRS below:

3 April 2020

Dear Greyhound Community

We are currently facing unprecedented times across the world where each day brings new challenges for us all. No one can predict what our future will look like other than to recognise that it will certainly be different.

As we all work together as a collective greyhound family, albeit, a participant, a club or a regulator, our focus as always is on the health and welfare of our people and our dogs.

We are indeed privileged to be one of the few sporting codes permitted to continue operation.

We are allowed to do so as we are operating within the new standards mandated by the Government and the Chief Health Officers from all Australian jurisdictions and in doing so we can and will continue to keep our people not only safe and employed but also ensure the welfare of our dogs.

The Greyhounds Australasia Board, our Chairs, CEO's and staff, and the Controlling Bodies across Australia and New Zealand are acutely aware of the impact COVID-19 is having on our participants.

We are meeting every week and are in contact every day as the situation unfolds, working together to find the best ways to support you and your dogs so that we can continue to deliver the best greyhound racing product in the world while ensuring the safety and wellbeing of us all.

While the Federal Government has announced support packages for small businesses and individuals that have been affected by the economic impact of COVID-19, the decisions regarding our industry are being made at State and Territory level.

Each of the Controlling Bodies is in regular contact with their Ministers to ensure our industry situation is understood and that the decisions being taken are informed and appropriate.

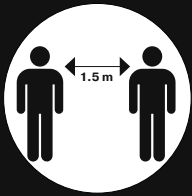

Each Controlling Body has made operational changes and initiated new track regulations and processes that must be adhered to if we are to continue racing throughout this time. The way participant groups have quickly adapted to the changes has been a true reflection of what can be achieved when we all work together.

It is likely that there will be more changes required in the coming weeks until the pandemic is declared to be over by the Government and your Controlling Bodies will continue to keep you as up to date as possible. We request that you remain engaged with all forms of communication from them.

RACING SAFELY DURING COVID-19

For the continuation of racing and the protection of our participants it is imperative that all on course entrants adhere to the following health and safety precautions:

Social distancing
Keep 1.5 metres away
from other people

Sneeze and cough
into your elbow and
don't touch face or
shake hands

Dispose
of used tissues
in a closed bin

Washing hands
for minimum of 20
seconds with soap
and water

**Use hand sanitiser
and disinfectant**
wipes to clean
equipment

These precautions are important to the protection of our people and our racing product.

Abuse of any kind towards our staff or each other will not be tolerated.

Non-compliance with these guidelines will result in your immediate removal from the venue and referral to the stewards.
