RACING AND WAGERING
WESTERN AUSTRALIA

JUNE 2020

FROM THE RACING MANAGER

NORTHAM RACING SEASON OPENING

Racing is scheduled to return in the Avon Valley on Monday 6 July.

Greyhounds WA will announce the public trial schedule in Kennel Notes, however it is anticipated that they will commence on Saturday 20 June.

Please note that the manual 588m boxes have been decommissioned due to safety reasons. Racing will only be conducted over the 297m & 509m distances.

Country Middle Distance race opportunities will be programmed regularly over 600m at Cannington.

DALE CUP SERIES

The postponed Dale Cup series has been rescheduled and the heats will now be run on Monday 20 July, with the final the week after.

WEEKEND SCRATCHING PHONE DIVERT ISSUES

As you would be aware the Telstra Mobile issue is still ongoing for the weekend scratching phone divert.

RWWA IT Services has been in dialogue with Telstra and the Phone system provider however at this stage the issue is yet to be rectified.

If you cannot get through on your Telstra Mobile device, in the first instance try and use your landline or another networks mobile phone.

As a last resort leave the full scratching details on the nomination recording line.

ADOPTION WITH TRAINER RECOMMENDATION POLICY

The Adoption with Trainer Recommendation Policy (ATRP) is applied when trainers recommend a home for the adoption of a greyhound in their care post its retirement, through Greyhounds as Pets (GAP).

Through the ATRP, GAP will undertake a standardised process to assess the greyhound and the recommended home, to determine the suitability of the proposed matching. If the proposed matching is deemed suitable, the greyhound will be released to the recommended home and the Foster to Adopt Policy will commence.

Should it be determined that the greyhound and recommended home are not a suitable match, GAP will seek an alternate home for the greyhound through its standard processes, with the prospective home to join the waitlist/register for a suitable greyhound if they still wish to proceed with a greyhound adoption.

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes.

This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care.

FROM THE RACING MANAGER

FINISH ON LURE RACES

Finish on Lure races continue to be suspended whilst social distancing measures are in place.

RWWA Stewards will provide an update when the suspension is due to be lifted.

POLICY AND RACE TYPE REFRESHERS

DISCRETIONARY DROP A GRADE POLICY

When a greyhound has not competed in a specific class for 6 months or more, connections can apply to the Grading Department for a special discretionary grade drop.

Any application must be completed in writing via email to: rwwaracinggreyhounds@rwwa.com.au detailing the reasons for the request.

The decision to drop a grade will be decided by the Grading Department with the Manager of Greyhound Racing having the ultimate decision.

Grade drops will not be limited to one grade step, form in the last 6 months, distances run & time off will all form part of the decision process.

Any discretionary grade drops granted, will be published in industry notices, with a brief description outlining the decision.

Note: A greyhound can be racing still and be considered for a grade drop. An example would be a greyhound racing in City Sprint Grade 5 races but has not raced in Provincial Sprint races for over 6 months. It may qualify for a Provincial Sprint grade drop under this policy.

MASTERS RACING

Masters Races are conducted for greyhounds 4 years and over at the time of the meeting date.

They are non-penalty but fully award for unplaced runs.

No greyhounds with 2 wins in their last 3 starts can compete.

Masters races are treated as Graded races, therefore the ability to beat the grader is valid. This applies to both grade and the win eligibility criteria. If at the time of grading a Masters race the greyhound is eligible to compete in it and subsequently has a win after the field is produced it will be considered beating the grader.

LOSING SEQUENCE RACES

Greyhounds in these races will be selected based on the length of their losing sequence, with the longest losing sequence selected first. The Order of Choice will only be used to separate greyhounds with the same losing sequence.

They will be graded as one division races and standard grading penalties and awards will apply.

Reserves will be graded the same way as standard graded races and will be unseeded.

Nominators should provide second preferences back to the regular graded races on the program as the Losing Sequence races will only be graded as one division.

With the length of the losing sequence being used to establish the composition of the field, grading concessions such as "Last Start Reserve", "Drop A Grade" & "35 Days" will not apply. These may be used in the case when the Order of Choice has to be called upon to separate greyhounds with the same losing sequence. Similarly unfulfilled commitment restrictions will not apply for field selection but may be used to separate the same losing sequence.

A minimum Losing Sequence of 6 races at the time of nomination is required to be eligible to compete in these races.

PROCESSED DISCRETIONARY GRADE DROPS

WINLOCK TABATHA - Previous Grades: Provincial Sprint Grade 4 (1 to drop) & Country Sprint Grade 2 (2 to drop).

WINLOCK TABATHA has not raced since 21 October 2019, has had injury concerns in recent months and is over 4 years old now.

WINLOCK TABATHA has been downgraded to Provincial Sprint Grade 5 & Country Sprint Grade 4 (2 to drop).

JUNK YARD MUPPET - Previous Grades: Provincial Sprint Grade 3 (2 to drop) & Country Sprint Grade 2 (1 to drop) and Provincial Middle Distance Grade 3 (2 to drop) & Country Middle Distance Grade 3 (earned grade).

JUNK YARD MUPPET has not raced since 1 November 2019 due to wrist injuries.

JUNK YARD MUPPET - has been downgraded to Provincial Sprint Grade 5 & Country Sprint Grade 4 (3 to drop) and Provincial Middle Distance Grade 5 & Country Middle Distance Grade 5 (3 to drop).

THANK YOU FROM THE CEO

A sincere thank you to the WA greyhound racing industry for your ongoing support and understanding during these uncertain times.

We still find ourselves in uncharted territory with the effects of COVID-19. However, I want to reassure you that RWWA is working tirelessly to ensure the short and long-term sustainability of our great industry. We are all in this together.

We are aware that the strict bio-security measures currently in place at our racecourses impact the ordinary enjoyment of racing, but we trust you understand these are temporary, yet necessary measures to ensure the continuation of racing.

The WA greyhound racing industry has over 3,600 participants and 1,500 racing animals. We understand participants heavily rely on their income derived from racing to support their families and the animals in their care, which is why we are doing everything in our power to ensure racing can continue during this time.

The national and international public health response has had a significant impact on our income. However, RWWA has made a concerted effort to reduce overall expenditures to sustain the WA racing industry over the longer term. This has involved significant reductions within internal operations, including a number of staff being temporarily stood down and a hold on all major projects.

There has also been a reduction in prizemoney in response to the significant decline in revenue we are facing as an industry. However, RWWA is actively supporting the continuation of racing at 80% of usual stake levels, through a time where our income has been impacted by at least 50%.

These changes to stakes, together with RWWA's reserves and other internal operational savings we have implemented, will be used to support the racing industry over the coming months.

As a business we are also undertaking considerable financial modelling and planning for a multitude of potential scenarios to ensure we are well prepared for any future hurdles that we may face as an industry.

Together, these initiatives will ensure our industry is in the best possible position when racing is able to resume as normal.

For up to date information on COVID-19 regarding the WA racing industry, I encourage you to visit the dedicated information page on RWWA's website – www.rwwa.com.au.

Once again, I would like to thank the WA greyhound racing industry for the continuous support and patience during this time.

Yours Sincerely,

Richard Burt
Chief Executive Officer, Racing and Wagering WA

WORKING TOGETHER TO RACE SAFELY

From 16 March 2020, we have been working together as an industry to implement a range of strict bio-security measures to ensure the continuation of racing throughout the COVID-19 pandemic. Since then 557 greyhound races, and counting, have been run safely under strict measures.

The WA greyhound racing industry continues to take the threat of COVID-19 seriously, with responsibly adhering to requirements and adapting to the necessary changes.

On the track we compete against each other but over the last few weeks we have been on the same team, working together, to race safely.

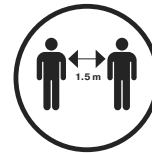

It is with the commitment of the greyhound racing industry that the following bio-security measures have been successfully implemented at our racetracks:

Essential Persons Only
Essential persons only have been attending our racetracks.

Proof of Identity
Essential participants have been displaying their RWWA issued licence card as proof of identity to gain access at racetracks.

Good Hygiene & Social Distancing
Participants have adapted and are adhering to guidelines around good hygiene and social distancing practices at racetracks as well as at their own private properties.

Race Clubs
General and sensible hygiene practices are maintained at the track by Greyhounds WA.

Guidelines
Trainers and kennel staff have been adhering to guidelines outlining strict bio-security measures both on and off the track.

Restricted Areas
Participants have respected the increased security in restricted areas to ensure social distancing.

Race Day Practices
Participants have adapted to a number of race day practices that have been adjusted to ensure social distancing, including during kennelling and boxing.

Equipment
Participants have been cleaning and disinfecting all greyhound gear regularly and when interchanging who is handling the equipment.

We are in this, TOGETHER.

Once again RWWA would like to thank the greyhound racing industry for their continuous understanding and support through these uncertain times.
