

DNA EXEMPTION DUE TO MAIL DELAYS TO VICTORIA (COVID19)

Thank you for your request to register \_\_\_\_\_ as a breeding female.

We note your request to grant your application for registration before the results from the Greyhound's DNA analysis are known.

RWWA is willing to process this application subject to your acknowledgement and agreement that:

- 1. A DNA sample of the Greyhound has been taken and forwarded to Greyhounds Australasia by a veterinary surgeon pursuant to GAR138(1), and
2. at the time of your request for registration of the Greyhound as a breeding female the DNA analysis will not have been completed and/or provided to RWWA in accordance with GAR127(8)(b), and
3. if the results of the DNA analysis do not confirm the genotype, lineage or reveals any other discrepancy in relation to the identification of any greyhound associated with the registration request, RWWA is entitled to:
a. cancel the registration of the Greyhound or impose conditions on the registration of the Greyhound, and
b. refuse to register, or register with conditions any litter whelped in connection with the Greyhound registration, and
4. that prior to any transfer, sale or the issuing of an authority to breed in relation to the Greyhound you must have:
c. obtained the results of the DNA analysis, or
d. notified:
i. the proposed transferee or breeder (in the case of an authority to breed) that the DNA analysis results have not yet been received, and
ii. RWWA at least 14 days prior to the transfer, sale or issuing of the authority to breed, and provided RWWA with details of the proposed transferee or breeder (in the case of an authority to breed), and
5. to the maximum extent permitted by law, you agree to indemnify RWWA and its employees, servants and agents from and against all loss and liability which it or they may incur or suffer (directly or indirectly) and all claims which may be brought or made against it or them by any third party, arising out of the Greyhound registration.

I, \_\_\_\_\_ (your name) acknowledge that I have had a DNA sample taken and submitted for analysis for \_\_\_\_\_ (dam).

Please confirm your acknowledgment and agreement to the above, by signing and returning this letter to (L&R email)
