# FROM THE RACING MANAGER

## NORTHAM TRACK UPDATE

At the time of writing this the expected handover date for the Northam track works is 18 June.

WAGRA staff will then conduct tests on equipment etc to ensure they are operating to the necessary standards.

The track will then need to be approved for trialling by the stewards and after trial sessions have been successfully conducted the track will then be ready for racing.

As a conservative guide the race program dates have the Northam season scheduled to start on Monday 12 July. But this is subject to the project being completed on time and all approvals and trialling being successfully conducted.

## CAMPANA TRIAL TRACK

The Campana trial track will reopen for trialling on Tuesday May 4 and will operate in the same way as last year.

These trial sessions are subsidised by RWWA via unused distribution from the current season.

Trial sessions will be:

- Tuesdays 8.30am-10.30am
- Fridays 9.30am-11.30am

## GREYHOUND TRAIN THE TRAINER

Racing and Wagering Western Australia (RWWA) has introduced the Train the Trainer educational video series to provide further information and guidance for greyhound trainers and those considering taking the first step in joining the greyhound industry.

This series provides helpful tips and knowledge from experts, including successful trainers, veterinarians, stewards and canine behavioural specialists – and aims to support trainers with additional information on the care and training of greyhounds in a safe and effective manner.

The video series aims to outline the regulations that must be followed to ensure all greyhound trainers are compliant.

We encourage industry to share the videos with anyone interested in joining the WA greyhound racing industry.

The videos can be viewed on the RWWA website here, with additional videos to be added to the website in the coming weeks - <https://bit.ly/3rUccDx>

## FINISH ON LURE RACE MEETINGS

The following upcoming meetings will be scheduled as Finish On Lure meetings:

Reminder that all Masters races are non-penalty to the winner, and in Open Masters and 4/5 Masters outs still count towards dropping a grade.

## RWWA GRADING OFFICE

Since the departure of Mark Thomas to become a Cadet Steward the Grading Office has been operating short staffed.

We have a new Assistant Grader starting this week, his name is Carlo Sorella.

Carlo is a keen greyhound racing follower and has dived into ownership in the past.

Samara Thompson has now been promoted to Grader.

## CHASE THE DREAM SERIES

The inaugural CHASE THE DREAM series wrapped up on WA Oaks final night.

The series saw 54 highly engaged contestants attend a kennel tour and 2 race nights events.

20 happy winners became new greyhound owners of Chase the greyhound.

Based on the success of the event we look forward to an even bigger version 2.

## FROM THE RACING MANAGER

### GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes.

This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care.
