FROM THE RACING MANAGER

IMPORTANT UPDATES FOR INDUSTRY - RWWA GREYHOUND INJURY

RWWA has conducted a review of the current injury schemes available to industry, considering primarily the welfare of the greyhound and secondly requests of industry to expand eligibility to the schemes.

The review included considering similar schemes operating in other States.

The summary below provides details of these changes which come into effect as of 1st September 2021.

GREYHOUND INJURY SURGERY REBATE (GISR)

Significant expansions and changes have been made to this scheme.

In response to industry request, an expansion of the existing list of eligible injuries to now include surgical repair of stifle, metatarsals, carpus, metacarpals, scapula, elbow, serious lacerations requiring emergency attention, tendon and ligament injuries requiring surgery.

Persons using this scheme will now also be eligible to a \$50 per week subsidy towards the rehabilitation of the greyhound following surgery for the duration of the rehabilitation period, prescribed by the veterinarian for up to 13 weeks.

RWWA will now refund 100% of surgery costs and reasonable associated costs up to \$5,500 per eligible injury (increased from \$3,500).

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

There is no change to the list of eligible injuries applicable to the GIFRS as the majority of significant injuries are already covered by this scheme.

A \$250 fee will now apply where a greyhound is entered into this scheme instead of the GISR scheme. The managing owner will be invoiced for this co-contribution by RWWA upon receipt of the relevant documents completed at the time the greyhound is entered into the scheme.

All enquiries regarding information about the revised policy should be directed to the Animal Welfare department on 08 9445 5221 or animalwelfare@rwwa.com.au

ORDER OF CHOICE RANKINGS

There have been some recent requests to publish the Order Of Choice rankings for those that may not be up to speed as to how fields are selected.

The following link can be used to access the full grading policy:

<https://www.rwwa.com.au/greyhound-hub/greyhound-grading/>

The relevant Order of Choice pages have also been included in this edition of Chasing WA.

3.2.1. ORDER OF CHOICE

The Order of Choice ranking is determined on race form over the last three (3) starts only, irrespective of the distance over which a greyhound has been racing, or for which the greyhound is nominated.

For Order of Choice purposes only, a greyhound that fails to finish in a race in its last 3 starts will have a placing interpreted as the next sequential placing after the last actual placing filled by a greyhound in that race.

Race meeting fields are graded taking into account all policies included in this document. Sections 3.2.8.3 to 4.1 inclusive, in particular, contain policies relating to the method in which fields are graded and should be read in conjunction with the Order of Choice.

3.2.8.1. MAIDEN EVENTS

Greyhounds are selected for Maiden events using the Order of Choice for the appropriate class.

In Maiden events, Qualifying Trial form will only be used to provide the opportunity for a greyhound to gain an initial start at the track for which it has qualified (or requalified). Qualifying Trial form is not regarded as race form under the Order of Choice.

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes.

This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care.
