

RACING AND WAGERING WESTERN AUSTRALIA

Updated Naming Application Forms

As from 1 November 2021 updated naming application documents will be issued to the breeder of a litter upon microchipping and ear tattooing having been completed.

The current Naming and Registration Application in which a breeder can sign over the ownership of a greyhound at the time of naming will be discontinued. The below RWVA Rule of Greyhound Racing makes it mandatory for transfers of ownership of an unnamed greyhound to be lodged within 10 days of such greyhound being sold or transferred.

LR117 Transfer of ownership

- (1) *Rules 117 and 118 of the GAR Rules shall not apply.*
- (2) **On the sale or disposal of a named or unnamed greyhound the transferor shall –**
 - (a) *if the greyhound is subject to any penalty or order of the Controlling Body, provide the transferee with written details of the penalty or order;*
 - (b) **forthwith provide, the transferee, a completed and signed prescribed transfer of ownership form and, in the case of named greyhound, the certificate of registration or greyhound identification card for the greyhound; or in the case of a unnamed greyhound the application for naming and registration issued by the controlling body.**
- (3) **A person who purchases or otherwise acquires a named or unnamed greyhound shall:**
 - (a) **within 10 days lodge with the Controlling Body a completed and signed prescribed transfer of ownership form containing the signature of the transferor together with the prescribed fee.**
 - (b) *If the greyhound is entered for an event the transfer of ownership shall be lodged with the controlling body forthwith and will not be accepted after the appointed scratching time for the event in question.*
- (4) *The Controlling Body may grant or refuse an application for a transfer of ownership.*

Breeders who sell or transfer an unnamed greyhound are required to comply with the above rule to ensure that a transfer of ownership is lodged within 10 days and that the naming and registration application is passed onto the new owner/s.

Transfers of ownership can also be lodged online through MyOzchase <https://www.MyOzChase.com.au/login>
