PRIZEMONEY BOOST FOR WA RACING

Racing and Wagering Western Australia (RWWA) is pleased to announce an increase in prizemoney commencing 1 February 2022.

Stronger financial results than anticipated for FY2021 have encouraged RWWA to implement:

- An annualised increase in stakes of at least \$7 million across all three codes of racing from 1 February 2022.
- **For the greyhound code this includes a 10 per cent increase to base stakes across all race meeting types.**
- A three-year funding commitment to be finalised and announced mid-2022, with annual stakes increases for the three years beginning 1 August 2022.

We are fully aware that our own financial situation and the general economic conditions in WA are unprecedented. While the threat of impacts on our industry from the pandemic remains relevant, we must balance prudent management of the business with opportunities to deliver benefits for participants to ensure the ongoing sustainability of racing in WA.

We recognise and appreciate the hard work of the racing industry that enabled us to be among the few sports that kept operating throughout the worst of the pandemic period.

We also know that, like most other sectors of the WA economy, our participants now face a range of new challenges related to the State's strongly performing economy, including uncertainties around costs for at least the next year or two.

For this reason, we have made a strategic decision to leverage our strong financial position into delivering greater certainty about future stakes increases in order to assist participants in all codes with their longer-term investment decisions and business planning.

I wish you all the best as we head into the festive period and I look forward to exciting seasons of racing ahead for WA.

Ian Edwards
Chief Executive Officer
Racing and Wagering Western Australia

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes.

This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care.
