An increase of 10% to Base Stakes for all classes and distance ranges.

New stake money tables have been included elsewhere in this edition of Chasing WA for your reference.

Please note the Race Programmes were produced before the new stakemoney templates were changed. Therefore the race programmes still show the old stakemoney amounts.

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes.

This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care.

MEDIA RELEASE

TOMMY SHELBY CROWNED BACK-TO-BACK WA GREYHOUND OF THE YEAR

Top chaser Tommy Shelby has taken out the State's prestigious title of Greyhound of the Year for the second consecutive year.

The Steve Withers-trained greyhound had another stellar season, racing 14 times for eight wins and four placings and total of \$616,830 in stakes.

Dominating the national circuit early, Tommy made history as the first WA greyhound to win the prestigious Group 1 Australian Cup, and deservedly earned the title of Australian Greyhound of the Year for the 2020/21 season.

After developing a cult following of 'the people's dog', Tommy Shelby has now set his sights on a career as a stud dog. His extraordinary career will be etched into WA greyhound racing history.

This year's leading trainer was David Hobby who shone in another outstanding season, earning the honour for the second year running.

David had 344 wins from 1,809 starts at a strike rate of 19.02%.

The revered Gerry O'Keefe Achievement Award was presented to Mark Bottcher, for his tireless dedication to the greyhound racing industry.

Commencing his career as a Doubles Bookmaker in 1994, Mark moved into greyhound administration in 1997.

He worked tirelessly over the years developing numerous policies, becoming an oracle for all things greyhound racing. One of his biggest achievements was his integral contribution in leading the roll out of the OzChase computer system.

The Kerry Vernon Award for Excellence in Greyhound Welfare was awarded to Kelly Roads.

A true greyhound advocate, Kelly works closely with the Greyhounds As Pets (GAP) program as a foster carer, until the greyhounds are ready to move into their forever homes.

Kelly takes the time to understand the rehoming process for retired greyhounds and provides them with the space they need to flourish in their next chapters.

Kelly started her foster journey in 2019 and has successfully supported 20 greyhounds through to their retirement.

The Young Achiever Award was awarded to Lewis Clay. Lewis trained 80 winners for the year from 390 starters, which was a fantastic effort by this 24 year old up and coming trainer.

The Greyhound Media Award was won by the newly launched Big 3 Podcast, hosted by David Shortte, Harry Buchanan and Shayne Williams.

With an impressive list of contributors, the show aims to provide free tips and support for the greyhound racing community and go above and beyond to promote the sport, with up to 4,000 unique listens per week.

RWWA Head of Racing Operations David Hunter said he was proud to see this year's winners recognised for their achievements. "The awards recognise another fantastic year of greyhound racing here in Western Australia," David said. "They provide the opportunity to come together to showcase the successes and contribution to the promotion of the sport. "I congratulate all this evening's nominees and award winners, and I applaud them for their contribution." Around 160 people attended the 2021 Greyhound of the Year Awards at Crown Perth on Sunday, 30 January. 2021 WA Greyhound of the Year Awards: • 2021 WA Greyhound of the Year – Tommy Shelby • Leading Trainer Award – David Hobby • Gerry O'Keefe Achievement Award – Mark Bottcher • Kerry Vernon Award for Excellence in Greyhound Welfare Award – Kelly Roads • Media Award – The Big 3 Podcast with Harry Buchanan, Shayne Williams and David Shortte

DEFERMENT OF NEW GREYHOUND RULES UNTIL 1 MAY 2022

With regard to previous notices in relation to the New Greyhound Rules of Racing that were to be applicable from 31 January 2022., on Thursday 27 January 2022 Greyhounds Australasia advised;

"The adoption of a new suite of national greyhound racing rules is a significant step forward for the industry and a step that GA and the controlling bodies must execute with absolute confidence. Greyhound racing across Australasia is run across multiple IT systems. While the individual systems are ready to adopt the new rules, the GA Directors have sought further assurance regarding the integration of those systems and the ability of those systems to seamlessly work together with the new rules. We need to ensure the integrity of the industry is maintained and as such the GA Directors wish to advise that in order that further final testing on the technical integration can be undertaken, the adoption of the new national rules will be deferred until May 1, 2022.

In light of this advice the introduction in Western Australia of the new RWWA Rules of Greyhound Racing 2022 has been deferred until 1 May 2022.

Please note the following applies in light of the deferment of these Rules.

- The new standard of approved lures which requires that a lure must be made of synthetic or artificial materials only and not contain any part of an animal will apply as of 31 July 2022 as previously. Trainers are therefore advised to continue to prepare for this transition.
- C5 Vaccination requirement will now take effect as of 1 May 2022 which affords trainers further time to work towards compliance. **Participants are advised to continue to prepare for the introduction of this rule and ensure that all registered greyhounds have received a C5 Vaccination or are certified as being protected to a C5 level by a veterinarian within the last 12 months, and that no greyhound competes in an event within 7 days of receiving a vaccination.**
