GREYHOUNDS MAKE GREYT PETS

WELCOME ONE INTO YOUR HOME TODAY!

At Greyhounds as Pets WA we will match you with a greyhound that is suitable for your individual household requirements. Whether you have young children, have other dogs already, or even have a cat, we will try to find the right greyhound for you.

All adopted greyhounds come with:

- C5 vaccination
- Sterilisation
- Dental scale and polish
- Microchip
- Collar and lead
- Temperament assessment
- Worming and flea treatment
- Training handbook

Once settled into their new home, greyhounds thrive on companionship and settle well into most household environments. Greyhounds make this transition from kennels relatively quickly and it is a very rewarding process seeing them adjust into household environments.

The Greyhounds as Pets WA team are always here to support new owners through ongoing training and information.

For further details about how to adopt a greyhound please contact Greyhound as Pets:

GAP INTAKE PROCESS 2022

Bookings for pre-assessment are to be made once the greyhound has run their last race and are no longer in training.

There will also be no name changes for dogs once the booking has been made. Anyone unable to keep their booking, or a dog is rehomed privately, is asked to cancel it with the GAP team, to allow us to contact other trainers and reduce wait times.

Going forward, we ask that trainers email gap@rwwa.com.au with the name of the greyhound, ear brand and date the dog finished racing or was retired from training. GAP staff will then reply with a booking confirmation.

We remind trainers and owners that, under GAP rules, a greyhound must have a minimum of 14 days from its last race before presentation to GAP for a pre-assessment. The following is required for the evaluation:

- Greyhound(s) to be pre-assessed – clean and flea free.
- Race papers/ID card.
- Up to date C5 vaccination certificate.
- Trainer questionnaire completed - <https://bit.ly/3zic1Yp>

If you have any queries around the new process, please contact the team at GAP. 94455399 or gap@rwwa.com.au

GRADING REVIEW MEETING CHANGES

Following on from the Grading Review Panel Meeting held on 4 August the following changes have been made to the Grading Policy.

Grading Interstate Greyhounds prizemoney to the winner brackets have been changed to the below:

Commencing with its first official start, the greyhound is penalised and awarded in the same manner as if the events were conducted in WA within the Prizemoney Class categories current at the time (to the winner):

- City Class \$5,001 +
- Provincial Class \$2,501 - \$5,000
- Country Class up to \$2,500

Unfulfilled Commitments Policy:

The current up to 302m distance has been shifted to distances up to 380m.

Any greyhound with a commitment to compete at a race meeting yet to be conducted (i.e. drawn in a field, not just as a reserve) may be graded into one (1) additional race meeting without having completed its first commitment (engagement).

The above policy does not apply to greyhounds competing in distances 380m and below. For these distances, greyhounds with an unfulfilled commitment to race at a meeting yet to be conducted will only be drawn behind greyhounds without any commitments to race.

Exceptions to this policy will apply to greyhounds with unfulfilled commitments when they are nominated for a heat of a feature event.

Exceptions to this policy will apply to greyhounds with unfulfilled commitments when insufficient nominations for any programmed event provide the Grader with the opportunity to again draw these greyhounds in a field or as a reserve.

Discussion was also had regarding City winners competing in Country class races.

It was decided to include more meetings where City winners in their last 10 starts are restricted from competing.

Specific Cannington Sunday and Monday meetings will be part of this rotation however please note that the restriction will only apply to Country Class races at these meetings

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes. To enter this scheme the managing owner is required to make a co-contribution of \$250. This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care and rehabilitation.
