GREYHOUNDS MAKE GREYT PETS

WELCOME ONE INTO YOUR HOME TODAY!

At Greyhounds as Pets WA we will match you with a greyhound that is suitable for your individual household requirements. Whether you have young children, have other dogs already, or even have a cat, we will try to find the right greyhound for you.

All adopted greyhounds come with:

- C5 vaccination
- Sterilisation
- Dental scale and polish
- Microchip
- Collar and lead
- Temperament assessment
- Worming and flea treatment
- Training handbook

Once settled into their new home, greyhounds thrive on companionship and settle well into most household environments. Greyhounds make this transition from kennels relatively quickly and it is a very rewarding process seeing them adjust into household environments.

The Greyhounds as Pets WA team are always here to support new owners through ongoing training and information.

For further details about how to adopt a greyhound please contact Greyhound as Pets:

FROM THE STEWARDS

NEW LOCAL RULE 39 FREQUENT STARTS

It is a priority of the Western Australian racing industry to maintain very high standards in matters of both integrity and animal welfare. As such local rules will be drafted from time to time that serve to enhance these already high standards and continue to protect the best interests of the welfare of racing animals. Whilst the current national rules of greyhound racing prevent a greyhound from starting on consecutive days (R39 Consecutive days' racing or trialling prohibited) – they are otherwise silent on how frequently a greyhound can start over a more extended period.

A review of racing related data identified that traditionally and historically most greyhounds raced once, and very occasionally twice in a seven-day period.

Following consultation with industry via the Greyhound Racing Consultative Group (GRCG), review by the RWWA Animal Welfare Committee, and final approval by the RWWA Integrity Assurance Committee, RWWA has approved and introduced a new local rule of racing detailed below, as a control measure to limit the number of race, qualifying trial or satisfactory trials starts for any individual greyhound within defined periods.

L39 Frequent Starts

A greyhound will only be permitted to start in

a. no more than a combined total of 2 race, qualifying trial or satisfactory trial starts in any 7-day period and

b. no more than a combined total of 7 race, qualifying trial or satisfactory trial starts in any 28-day period.

The purpose of this new local rule is to ensure that a greyhound in Western Australia is not permitted an unrestricted number of starts, in the best interests of the welfare of the animal. Similar local rules exist and are enforced in both the Harness and Thoroughbred code within Western Australia.

This rule will be activated as from the Mandurah race meeting to be conducted on Tuesday 5 September 2022.

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes. To enter this scheme the managing owner is required to make a co-contribution of \$250. This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care and rehabilitation.
