PREASSESSMENT BOOKINGS AT GAP UPDATE

Background: In January 2023 Greyhounds as Pets changed to weekly allocation of preassessments in response to a slow period for suitable adoption applications.

Update: GAP is still operating at a higher than usual capacity. With GAP's second kennel site now operational and additional measures continuing to be implemented to increase adoption interest, GAP will move to a monthly booking system to allow trainers more advance notice on confirmed preassessments. This will enable all available preassessment slots to be offered while maintaining space for new greyhounds arriving through the Greyhound Injury Full Recovery Scheme.

Bookings for each month will now open one month in advance and will be allocated on a first come first served basis. i.e. bookings for the month of June will open on 1st May.

Greyhounds are permitted to continue to race until 30 days prior to the preassessment appointment.

Trainers holding existing preassessment bookings will retain their bookings and will be contacted to advise of the updated system.

MANDURAH TRACK WORKS

A visual guide of the Mandurah track works has been included in this edition of The Dogs WA.

The project is on schedule with the last meeting to be run at Mandurah on Sunday 19 March with a return to racing expected in October.

The race program schedule will then switch to Northam racing on Monday & Thursday and Cannington on the other days.

Races at these meetings will reflect similar programs and distances that would have been run at Mandurah with the addition of some Provincial race options at Northam on Thursday's.

During the Mandurah works, from Wednesday 22 March a 275m Qualifying Trial will be added to the Cannington schedule. This will complement the fortnightly 297m Qualifying trial scheduled at Northam.

FROM THE RACING MANAGER

PREFERENTIAL BOX DRAW PROCESS

- A trial will be initially conducted over the 275m distance at Cannington.
- Initial race types offering a PBD option will be Maiden and Novices.
- Specific races at a meeting will be designated as PBD and for these races trainers will have to contact the Grading office directly on the phone to nominate for them.
- For a greyhounds first race under PBD conditions the trainer will nominate the early running trait.
- Early running traits will be:
 - Railer (R) – dogs that do not angle right at box rise from inside draws
 - Straight (S) – dogs that run straight from middle draws
 - Wide (W) – dogs that do not angle left at box rise from wide draws
- Greyhound fields will be determined based on the current Grading policy rules.
- Once a field has been created the early running traits of each greyhound in the field will be grouped and a manual box draw will be conducted. For example, in an 8-dog field, if 5 greyhounds are designated as Railers, 1 greyhound as Straight and 2 as Wide, then Boxes 1-5 will be drawn for the Railers, Box 6 will be allocated for the Straight and boxes 7-8 will be drawn for the Wides.

- The Manual box draw process will be conducted by the Grading office with an independent person acting as an observer.
- No reserves will be graded into PBD races.
- A redraw will not be conducted with respect to the PBD for reasons of incorrect box allocation unless a wide runner is incorrectly drawn from the railers position or vice/versa.
- After the first nomination and subsequent race start, the early running trait of a greyhound will be reviewed by the Grading office and with the approval of the Stewards may be amended with the trainer advised accordingly.
- Unless amended following review by the Grading office and Stewards, an application for an amended running trait from the trainer will not be considered for a period of at least three starts.

UPCOMING PREFERENTIAL BOX DRAW RACES

Monday	6 March	275m MDN & NOV
Monday	13 March	275m MDN & NOV
Monday	20 March	275m MDN & NOV
Tuesday	28 March	275m MDN & NOV

Race programs will provide options for MDN & NOV 275m race types at other meetings for those that do not wish to nominate for PBD races.

GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

r GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes. To enter this scheme the managing owner is required to make a co-contribution of \$250. This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care and rehabilitation.

NOTES

GREYHOUNDS MAKE GREYT PETS

WELCOME ONE INTO YOUR HOME TODAY!

At Greyhounds as Pets WA we will match you with a greyhound that is suitable for your individual household requirements. Whether you have young children, have other dogs already, or even have a cat, we will try to find the right greyhound for you.

All adopted greyhounds come with:

- C5 vaccination
- Sterilisation
- Dental scale and polish
- Microchip
- Collar and lead
- Temperament assessment
- Worming and flea treatment
- Training handbook

Once settled into their new home, greyhounds thrive on companionship and settle well into most household environments. Greyhounds make this transition from kennels relatively quickly and it is a very rewarding process seeing them adjust into household environments.

The Greyhounds as Pets WA team are always here to support new owners through ongoing training and information.

For further details about how to adopt a greyhound please contact Greyhound as Pets:
