---------	---------	----------------

NORTHAM THURSDAY MEETINGS DURING MANDURAH SHUTDOWN

The Northam Thursday meetings March through May are going to be scheduled as daytime meetings similar to the standard Monday meetings.

From June onwards these Thursday meetings will switch to twilight fixtures.

RACE PROGRAMS DURING APRIL

Please note that the race programmes will be agile during the late March and April period while the nomination patterns of trainers are established during the Mandurah track works.

Similar race distances and grades have been replicated at Cannington and Northam as best as they can.

GALAXY CONSOLATION

This year for the first time there will be a consolation of the Galaxy run.

This Consolation race will carry total stakes of \$22,555 with \$15,000 going to the winner.

QUALIFYING TRIAL SCHEDULE

It should be noted that the Qualifying Trial landscape has also changed as a result of the Mandurah track works.

Cannington Tuesday nights will have trials over 275m & 380m scheduled.

Cannington Wednesday nights will have trials over 380m & 520m scheduled.

Northam Monday will alternate each week between a 297m or a 509m option.

PREASSESSMENT BOOKINGS AT GAP UPDATE

Background: In January 2023 Greyhounds as Pets changed to weekly allocation of preassessments in response to a slow period for suitable adoption applications.

Update: GAP is still operating at a higher than usual capacity. With GAP's second kennel site now operational and additional measures continuing to be implemented to increase adoption interest, GAP will move to a monthly booking system to allow trainers more advance notice on confirmed preassessments. This will enable all available preassessment slots to be offered while maintaining space for new greyhounds arriving through the Greyhound Injury Full Recovery Scheme.

Bookings for each month will now open one month in advance and will be allocated on a first come first served basis. i.e. bookings for the month of June will open on 1st May.

Greyhounds are permitted to continue to race until 30 days prior to the preassessment appointment.

Trainers holding existing preassessment bookings will retain their bookings and will be contacted to advise of the updated system.

MARCH RACE MEETING CHANGE

Please note there is no racing schedule on Monday March 20

GRADING DAY CHANGE

Please note the Northam Thursday 23 March meeting will be graded a day early in conjunction with the Cannington Wednesday 22 March meeting on Friday 17 March.

Also note that the grading office will be shut on Monday March 20.

EASTERN STATE VISITORS FOR PERTH CUP & GALAXY

Those industry participants that may have greyhounds entering their kennels for the Perth Cup and Galaxy heats, can you please remind the connections that their greyhounds must be UpToDate with their C5 vaccination boosters.

With the rule change now reduced to 5 days off racing after vaccination any of these greyhounds will need to be vaccinated by this Monday to be eligible to compete in the heats on Saturday night.

The same applies for local greyhounds as well so please check your greyhounds status if you are unsure.

NEW LOCAL RULE 25 VACCINATION INELIGIBILITY

National Rule 25 (6) states;

(6) Unless a Controlling Body determines otherwise, a greyhound must not compete in any Event within seven days of the date it was administered a vaccine.

Having considered submissions from industry requesting a variation of the National rule reducing the time between vaccination and racing, the RWWA Veterinary department is of the opinion that this will not adversely impact the wellbeing of racing greyhounds.

The below Local Rule has therefore now been introduced to vary the seven days mentioned within the National Rule to five days within Western Australia. This rule came into effect in Western Australia as from 17 February 2023;

L25 Vaccination ineligibility

Pursuant to Rule 25 (6) the period of time that a greyhound must not compete in any Event shall be within five days of the date it was administered a vaccine.

QUALIFYING TRIALS

All Qualifying Trials are conducted prior to the first race at the respective race meetings, unless otherwise advertised. The number of Qualifying Trials drawn may vary depending on the number of races drawn and the number of spare kennel bays.

Should nomination numbers warrant, consideration may be given to conducting trials on the backup days of Thursday (Mandurah) and Saturday (Cannington) utilizing surplus nominations. Alternatively a stand-alone Qualifying Trial session may be considered.
