## NATIONALS CONDITIONS OF ACCEPTANCE & DETAILS OF THE SERIES

Greyhound Clubs Australia & The Melbourne Greyhound Racing Association have finalised the conditions of nomination forms for the upcoming Nationals which are scheduled to be held at The Meadows this year.

As per previous years the State finals will all be held on the one night showcasing the event. However due to the current track rotation with Northam racing on Thursday nights, WA will not be participating in the Thursday night showcase and will be running our State Finals a day earlier on Wednesday August 9 at Cannington.

The Sprint series will be a traditional Heat and Final event with the heats being conducted on Friday August 4. Therefore the Sprint heats will be graded on Tuesday 1 August which is the important date when determining eligibility. The 76 day eligibility criteria was on May 18. The 150 day eligibility was on March 6.

The Distance final will be run as a one off final on Wednesday August 9. Therefore the Distance final will be graded on Friday 4 August which is the important date when determining eligibility. The 76 day eligibility criteria was on May 21. The 150 day eligibility was on March 8.

The composition of the Distance final will be selected by a Grading Panel. With the members of the panel being the RWWA grading team, RWWA Greyhound Operations Manager & the Greyhounds WA Racing Manager.

## GREYHOUNDS AS PETS – NEW PREASSESSMENT PROCEDURE

The GAP team appreciates everyone's patience while we have been working through the current waitlist and organizing the new booking system. Below is an explanation of how the new booking system will work. This decision was made after feedback from the industry and Stewards.

Trainers will be divided into three groups depending on the number of registered kennels they have. This will determine how many preassessments per month they can book.

Registered kennel Numbers	Preassessment numbers
0-30	1
31-50	2
51+	3

- The booking system is now semi-automated to help streamline the process and can be found here <https://shorturl.at/oYIJQ>. Please do not try to book more preassessment slots than you are allowed as per the above table as any extra bookings will be discarded.
- Preassessment bookings can only be made for the one trainer/kennel. Any extra bookings will be discarded, this includes multiple family members/owners/trainers booking dogs for the same kennel.
- The bookings will open on the first Monday of each month for the month after (excluding public holidays) at 10am. The number of slots available each month will vary depending on kennel space at GAP, however we are hoping to take in around 20 dogs per month. The booking system will be manually closed once the number of available spaces has been reached.
- You must complete all fields on the form for it to be accepted, any misinformation or incomplete forms will be discarded.
- This will begin on the 3rd July 2023 for bookings in August 2023
- Once the spaces are filled the booking system will close, however a record will be kept of the first two trainers who miss out and we will ensure they are given priority the next month.
- We will trial this for 6 months and consistently review its effectiveness.
- Any questions please email the gap intake email on [gapintake@rwwa.com.au](mailto:gapintake@rwwa.com.au) please do not use the [gap@rwwa.com.au](mailto:gap@rwwa.com.au) email or main GAP number (08) 9445 5399 as these are for adoption enquiries.

### Key points

- New bookings system: <https://shorturl.at/oYIJQ>
- Date it opens: 3rd July 2023
- For bookings: August 2023
- Forms must be completed in entirety.
- Preassessment bookings can only be made for the one trainer/kennel.

## MANDURAH TRACK IS NOW A BUILDING SITE

Please note the Mandurah track is now considered as a building site and access is no longer permitted unless an induction process has been completed and a sign in has authorised.

This includes the carpark area which cannot be accessed.

## WA GREYHOUND RACING 2023-24 DISTRIBUTION

A rise in base stakes at all levels of greyhound racing is a highlight of Racing and Wagering Western Australia's funding announcement for the 2023-24 season, injecting \$1.5 million in prize money across all greyhound race meeting types.

More than \$11.2 million in capital investment will see major projects followed through at Mandurah and take place at Cannington. This figure includes making a start on a new purpose-built Greyhounds as Pets facility which, when complete, will reach a total of around \$6 million investment.

In addition, there will be increases to funding for greyhound injury and recovery schemes.

## FROM THE RACING MANAGER

Greyhound funding 2023-24 key initiatives:

- \$1.55 million for the 10 per cent increase to base stakes.
- More than \$300,000 increase to feature heats and finals stake levels, in line with new Greyhounds Australasia Group and Listed levels.
- \$3.5 million towards the Mandurah track rebuild as part of the almost \$8 million project.
- Getting under way on the \$6.6 million GAP expansion project.
- 2.5 per cent increase to club funding to recognise increased costs.

The boost in prize money rewards the codes' strong commercial performance in recent years, while also strengthening returns to participants in WA greyhound racing.

In the animal welfare arena, we are expanding the capacity of our Greyhounds as Pets program. In the long term, the new rehoming facility and extra resources will enhance our ability to help greyhounds make the transition from racing to home life.

The stakes increases factor in the deduction of one per cent of advertised stakes being assigned to greyhound welfare initiatives.

Together, these initiatives support the purpose of our greyhound strategy to optimise welfare to sustain current levels of participation.

This year's funding across all three codes will be the largest ever provided by RWWA in its 20-year history, at \$215 million.

The new STAKEMONEY tables have been included in this edition of The Dogs WA for your reference.

Please note the Race Programs from August 4 onwards are still using the old templates and will be updated closer to the new Distribution period.

*Also note the Abandoned meeting payments will also be increased by 10% after August 4.*

# GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes. To enter this scheme the managing owner is required to make a co-contribution of \$250. This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care and rehabilitation.

# RACING IN WESTERN AUSTRALIA IS A THRIVING COMMUNITY.

**At its heart are the wonderful racehorses and greyhounds that bring it to life.**

Sheer excitement and enjoyment aside, there is one overriding reason why about 24,500 people are part of the Western Australian racing world.

Animals are everything to us.

We respect and advocate for the animals of the industry, with constantly evolving welfare standards and regulations to protect their wellbeing.

We are passionate people. We are dog people. We are horse people.
