### IMPORTANT INFORMATION

- From 1 July 2022 all Stallion Registrations must be lodged directly with Harness Racing Australia. Standardbred Stallions must be officially registered prior to any services taking place.
- It is important this document be submitted correctly on or before 1 September 2023, in accordance with RWWA Rules of Harness Racing 274 (1), (2), (3), (4), (5), (6) & (7).
- Once the Stud has been registered, a Certificate of Registration for the Stud will be forwarded to the Stud Master. As with the **2022/ 2023** Standardbred Stud season, if a Stud Master enters their stallion services electronically on *Harness Web* the fee of **\$52.00** per mare served will be waived. However, if the Stud Master requires RWWA to manually enter the service details, the fee will be **\$52.00** per mare served if correctly completed on or before **31 March 2024**. **The late lodgement fee for mare services will be \$152.00 per mare for both electronic and manual entry.** Certificates of Service will be generated by RWWA and sent to the Stud Master for signing and distributing to the mare owners once the Foaling Notification fee for the following season is finalised. It is the Stud Master's responsibility to issue the mare owners with the Certificates of Service.
- A reminder that all mares served, regardless of whether they are in foal or not, must be lodged on each individual stallion's services. Failure to do so is a breach of the RWWA Rules of Harness Racing and penalties may be incurred.
- Certificates will not be issued for negative pregnancy results. Any mares tested negative will automatically result in a 'Mare Missed' notation on RWWA's database.
- The Stud Master is responsible for the positive identification of the mare PRIOR to any service taking place. It is a breach of Rule 276 (1), (2), (3) & (4) to not ensure the identity of the mare prior to service.
- Artificial Insemination or Semen Transportation must not be practised on any premises in Western Australia until the premises has been granted a Licence for an Artificial Breeding Station with Racing and Wagering Western Australia. Applications can be obtained from [www.rwwa.com.au](http://www.rwwa.com.au).
- Any person who wishes to perform Artificial Insemination on any registered Standardbred in Western Australia must be licensed with RWWA before they undertake any act of Artificial Insemination. Applications can be obtained from [www.rwwa.com.au](http://www.rwwa.com.au).
