 - (a) the relevant biological matrix, equivalent in volume to the portion or aliquot of the sample being tested, is to have added to it a quantity of the therapeutic substance or its specified metabolite, sufficient to bring its concentration to the screening limit specified for that therapeutic substance – this is known as the "spiked sample" and is to be analysed concurrently with the sample;
 - (b) the portion or aliquot of the sample is then to be tested to determine whether or not it contains a quantity of the therapeutic substance or its specified metabolite that exceeds that screening limit, by making a direct comparison with the spiked sample;
 - (c) if the screening limit is not exceeded, the detection of the therapeutic substance in the sample is not to be reported on a Certificate of Analysis;
 - (d) if the screening limit is exceeded, then the sample is to be further tested in accordance with normal laboratory procedures designed to certify the presence of the therapeutic substance in the sample.
- (3) A therapeutic substance for the purpose of this rule and the screening limit applicable to it or its specified metabolite is to be promulgated and published from time to time by Racing Australia.

- (4) The screening limit testing provided for in this rule is not intended to and does not operate to mean that for the purpose of the Rules the relevant therapeutic substance only becomes a prohibited substance if and when the screening limit is exceeded.

 - (b) withdraw, manipulate and re-infuse, homologous, heterologous, or autologous blood, blood products or blood cells into the circulatory system of a horse.
- (2) A person must not administer any quantity of homologous, heterologous, or autologous blood, blood products or blood cells of any origin into the circulatory system of a horse.
- (3) Notwithstanding subrules (1) and (2), a PRA or the Stewards may find that it is a complete defence to a charge laid under subrule (1) or (2) if in their opinion:
 - (a) the relevant conduct was for life-saving purposes; and/or
 - (b) the relevant conduct was part of a veterinary regenerative therapy for the treatment of musculoskeletal injury or disease administered by or under the supervision of a qualified veterinary surgeon.

PART 12 - SAMPLE ANALYSIS & FACILITATION OF PROOF

Division 1 - General rules

AR 258 General rules

- (1) Samples may be analysed by a PRA or the Stewards, including without limitation for the purposes of identifying prohibited substances and/or prohibited methods referred to in these Australian Rules and to assist to profile relevant parameters in a horse's urine, blood, hair or other matrix. This applies to all samples, which includes stored samples (being samples or portions of a sample stored and/or retained, including for future analysis for purposes consistent with the Rules).
- (2) Subject to AR 259(10), samples taken from a horse by a PRA, the Stewards, or other persons authorised by a PRA, must be analysed by an Official Racing Laboratory.
- (3) All samples taken from horses for the purposes of these Australian Rules are the property of the PRA of the State or Territory in which the sample was taken.
- (4) A sample may be stored, frozen, or otherwise dealt with in a manner a PRA or the Stewards consider appropriate, and may be disposed of as a PRA or the Stewards think fit.

<u>Division 2 - Sample analysis and facilitation of proof</u>

AR 259 Sample analysis and facilitation of proof

- (1) A sample taken from a horse ("relevant sample") may be provided by or at the direction of a PRA or the Stewards to an Official Racing Laboratory ("First Laboratory").
- (2) A portion or aliquot of the relevant sample analysed by the First Laboratory will be referred to as the "A Portion".
- (3) As soon as practicable after analysis of the A Portion is complete, the First Laboratory must notify its findings to the PRA or the Stewards from whom the relevant sample was received, by providing a written record in the nature of a Certificate of Analysis ("First Certificate of Analysis").
- (4) A second portion or aliquot of the relevant sample, together with any control of the relevant sample, may be provided by the First Laboratory to another Official Racing Laboratory ("Second Laboratory") for confirmatory analysis by it. Where that is done, the second portion or aliquot of the relevant sample provided to the Second Laboratory will be referred to as the "Reserve Portion".
- (5) As soon as practicable after analysis of the Reserve Portion is complete, the Second Laboratory must notify its findings, by providing a written record in the nature of a Certificate of Analysis ("Second Certificate of Analysis"), to:
 - (a) the PRA or the Stewards that provided the relevant sample to the First Laboratory; or
 - (b) the First Laboratory, which must then provide a copy of that certificate to the PRA or the Stewards that provided the relevant sample to the First Laboratory.
- (6) If the results stated in the Second Certificate of Analysis confirm that:

- (a) the prohibited substance detected in the Reserve Portion is the same as the prohibited substance detected in the A Portion; and
- (b) the prohibited substance detected in the A Portion and the Reserve Portion is not detected and quantified in any control of the relevant sample,
 - then the provision of the Second Certificate of Analysis will, together with the First Certificate of Analysis, constitute *prima facie* evidence that the relevant sample contains a prohibited substance.
- (7) If only one Official Racing Laboratory is either able, or available, to analyse both the A Portion and the Reserve Portion, then that laboratory can analyse both the A Portion and the Reserve Portion, provided that they are each analysed by separate qualified analysts or groups of analysts (so that no one analyst or group of analysts participates in the analysis of both the A Portion and the Reserve Portion).
- (8) If a Certificate of Analysis states that a prohibited substance was detected in a sample, the PRA or the Stewards which receive the result must communicate that to the trainer of the relevant horse as soon as reasonably practicable.
- (9) Nothing in AR 258 or subrules (1) to (8), including a PRA, the Stewards and/or an Official Racing Laboratory not following any procedures set out in those subrules, precludes a PRA and/or the Stewards from charging a person with breaching these Australian Rules and/or establishing:
 - (a) that a horse was administered a prohibited substance; or
 - (b) that a horse was not presented to start in a race, official trial, jump-out or attend another form of test free of prohibited substances; or
 - (c) that a horse had at a particular time a prohibited substance in its system, in ways other than through relying on the *prima facie* evidentiary effect of two Certificates of Analysis which is stated in subrule (6).
- (10) A PRA or the Stewards may retain a sample, or portion or aliquot of a sample, taken from a horse for their own purposes, including without limitation to conduct their own testing or analyses (including screening tests). It is a matter of the discretion of a PRA or the Stewards as to whether they communicate the results of their own internal analyses within a reasonable time of them being received, or at all. Those analyses may be used at the discretion of a PRA or the Stewards, including for the purpose of investigations, inquiries, intelligence and/or prosecuting breaches of these Australian Rules. If an internal analysis is used to prosecute a breach of these Australian Rules, the relevant PRA or the Stewards must communicate the results of that analysis to the person/s the subject of the prosecution.
- (11) Retesting of a sample, or portion or aliquot of a sample, is permitted to occur under these Australian Rules. Where that is done, the evidentiary effect stated in subrule (6) is able to be relied on where the results of two Certificates of Analysis record that a prohibited substance is detected in a sample.
- (12) If a prohibited substance is detected in a stored sample submitted or resubmitted for testing and that sample was taken from a horse prior to or following its running in any

- race, whether or not the horse is to be disqualified from a race it took part in is a matter for the discretion of a PRA or the Stewards.
- (13) Any sample taken from a horse prior to the date on which this rule takes effect which has not been analysed as at that date must be dealt with in accordance with subrules (1) to (12), provided that if a portion or aliquot of the sample has been analysed prior to this rule taking effect, the rules in force immediately prior to that date apply in respect of analysing the sample and proving that it contains a prohibited substance.

Note: By way of example, if, as at 1 March 2019, the A Portion has been analysed but the Reserve Portion has not been analysed, a PRA or the Stewards must rely on the rules in force prior to that date to analyse the sample taken from the horse and prove that it contains a prohibited substance.

PART 13 - DISCIPLINARY PROCESSES, PENALTIES & RESTRICTIONS

<u>Division 1 - Evidentiary and procedural provisions in relation to disciplinary matters</u>

AR 260 Publication of penalties

A PRA or the Stewards may accept as *prima facie* evidence of a penalty (unless the contrary is proved) either:

- (a) written confirmation from a PRA to the effect that it has imposed or adopted a penalty; or
- (b) the authorised publication (electronically or otherwise) by Racing Australia or a PRA to the effect that a penalty has been imposed or adopted.

AR 261 Recognition of penalties imposed overseas

- (1) The recognition in Australia of written confirmation or notice from an Overseas Racing Authority in relation to the imposition by the Overseas Racing Authority of a suspension, disqualification, or other penalty on a person ("Notice of Penalty") must proceed in accordance with this rule.
- (2) If the PRA that receives a Notice of Penalty from an Overseas Racing Authority is not the PRA that most recently licensed (for a continuous period of not less than 3 months) the person identified in the notice, the recipient PRA must forward a copy of the Notice of Penalty to the PRA which most recently licensed the person for not less than 3 months.
- (3) If the person named in the Notice of Penalty has not previously been licensed by a PRA for a continuous period of 3 months or more, the PRA that receives the Notice of Penalty must deal with it.
- (4) As soon as practicable after receiving the Notice of Penalty, and not later than 7 days after receipt, the relevant PRA must:
 - (a) serve a copy of it on the person named in it; and
 - (b) advise the person of the provisions of this rule.
- (5) Unless an application is made by a person under subrule (7), the PRA who served the Notice of Penalty under subrule (4) must:
 - (a) apply the penalty set out in the Notice of Penalty within the State or Territory which that PRA administers;
 - (b) inform all other PRAs of the application of the penalty under subrule (5)(a).
- (6) After receiving the information referred to in subrule (5)(b), all recipient PRAs must immediately apply the penalty within the State or Territory administered by it.
- (7) The person named in a Notice of Penalty served under subrule (4) ("applicant") may apply to the PRA which most recently licensed the person for a declaration that the penalty set out in the Notice of Penalty:
 - (a) not be applied at all by that PRA within its State of Territory; or
 - (b) be applied only in part by that PRA within its State of Territory, ("application").

- (8) Subject to subrule (11)(a), any application must:
 - (a) be made within 14 days of the date of service of a Notice of Penalty under subrule (4);
 - (b) be accompanied by a statement confirming that the applicant has exhausted all avenues of appeal provided for under the rules of the Overseas Racing Authority which imposed the initial penalty;
 - (c) set out the ground/s on which the application is made; and
 - (d) set out, including by reference to subrules (7(a) and (b)), the terms of any orders or declarations sought.
- (9) On receipt of an application, the PRA who receives the application may, in its absolute discretion, determine that the penalty set out in the Notice of Penalty is not to be applied within the State or Territory it administers, pending the hearing of the application.
- (10) Within 7 days of the receipt of an application, the PRA which receives the application must hear and determine the matter.
- (11) At the hearing of an application:
 - (a) the PRA may, if requested by the applicant, waive compliance with the provisions of all of some of subrule (8) as it thinks fit;
 - (b) the applicant may:
 - (i) with the permission of the PRA, be represented by a legal practitioner or agent;
 - (ii) give oral evidence;
 - (iii) adduce other oral or written evidence;
 - (iv) make oral or written submissions in support of the application.
- (12) At the conclusion of the hearing of an application, the PRA must:
 - (a) if satisfied that there are exceptional circumstances, order that the application be granted and make the orders or declarations sought;
 - (b) otherwise order that the application be dismissed.
- (13) For the purposes of subrule (12), the onus of establishing exceptional circumstances is upon the applicant.
- (14) If any order/s or declaration/s under subrule (12) are made, the PRA to which the application was made is required to notify all other PRAs of the terms of the order/s or declaration/s made.
- (15) Once the notice referred to in subrule (14) is given, the order/s or declaration/s set out in that notice will apply within each of the States and Territories of the PRAs who receive that notice.

AR 262 Records of disqualifications, suspensions, and warning offs

Each PRA must retain, and from time to time publish either on its website or in an official publication authorised by it:

- (a) a list of persons suspended, warned off or disqualified by it, or whose suspension or disqualification (as applicable) has been adopted by it;
- (b) a list of horses disqualified by it, or whose disqualification has been adopted by it.

<u>Division 2 - Effects of penalties and restrictions imposed on persons and horses</u>

AR 263 Prohibitions on persons and their conduct while disqualified

 - (a) not to participate in social or mainstream media in relation to any matter in connection with racing or wagering;

- (5) The provisions of subrule (4) apply to any person to whom subrule (1) applies, regardless of when the penalty that gives rise to the application of the rule was imposed.
- (6) Notwithstanding the provisions of this rule:
 - (a) if a lessor is a disqualified person, or in the opinion of a PRA or the Stewards is a close associate of a disqualified person, a PRA may in its discretion waive the operation of the provisions of this rule in favour of a person who leases a horse from that lessor either in respect of a particular race meeting or otherwise during the currency of the lease; and
 - (b) if the discretion referred to in subrule (6)(a) is exercised in favour of a lessee then:
 - (i) if the lessor's horse wins any or prize money, the amount of the stake or prize money will be reduced by the amount or proportion of it to which the lessor would otherwise be entitled pursuant to any written or oral agreement entered into between the lessor and the lessee in respect of the horse; and
 - (ii) no part of a stake or prize money as referred to in subrule (6)(b)(i) is to be payable to the lessor nor be recoverable by the lessor from any PRA, Club, the lessee, or any other person.

LR 263A

(1) The period of disqualification or warning off of any person, who is disqualified or warned off, who contravenes AR263, shall automatically be deemed to recommence as from the most recent date of such contravention and may also be subject to further

Within the period of time as prescribed or otherwise approved by the Controlling Body or Stewards, then the period of disqualification shall cease to efflux until such time as they have complied in full with their obligations in this regard.

(2) Where the matters referred to above are pending the outcome of an appeal or subject to a formal order of a stay of proceedings, the operation of this rule shall not apply until that appeal is determined.

LR 263C

Except with the consent of the Principal Racing Authority or Stewards that imposed the disqualification or warning off, any person that is disqualified or warned off from the date of effect of this rule, shall not be eligible to receive any awards, breeders bonus payments or other such financial payments or prizes that they would otherwise be entitled to in relation to any races from the date of imposition of such penalty.

AR 264 No betting by a bookmaker with disqualified persons

A bookmaker must not bet with a disqualified person, whether in person, online, by telephone, or using any other device or medium.

LR 282 Any person who is aggrieved by a determination or finding of the Principal Racing Authority, the Committee of any Club or the Stewards;

- (5) Any person or body authorised by the Rules to penalise a person may in respect of any penalty imposed in relation to the conduct of a person and other than in relation to a period of disqualification or a warning off, suspend the operation of that penalty either wholly or in part for a period not exceeding 2 years, on terms they think fit.
- (6) Where a person breaches any of the rules listed below, a disqualification for a period of not less than the period specified for that rule must be imposed unless there is a finding that a special circumstance exists, in which case that penalty may be reduced:

LR 283 The Stewards shall have the power to defer, for a period of no longer than nine (9) days, the commencement of any suspension imposed by them upon a rider provided that such rider has been engaged as the rider of a horse on one of those days.

LR 283A For the purposes of these Rules and the imposition of a penalty under AR283(6) a special circumstance may apply, if in the opinion of the Stewards, it is in the interests of justice given the special circumstances and conduct of the person in relation to the commission and investigation of the offence.

 - (a) persons bound by these Australian Rules must comply with the TOR Rules;
 - (b) all trainers and owners (except exempt trainers and exempt owners) must comply with the STA and the STA is deemed to apply as between those trainers and owners subject to TOR Rule 1(4); and
 - (c) all co-owners, except for co-owners who have obtained their interest in a horse through a Promoter Syndicate and who do not own their interest in the horse with other owners who are not in a Promoter Syndicate, must comply with the COA and the COA is deemed to apply as between those co-owners subject to TOR Rule 1(5).
- (3) Notwithstanding TOR Rule 1(2):
 - (a) specific terms of the STA can be excluded, varied or limited by agreement in writing between a trainer and an owner, provided that a trainer and owner cannot exclude, vary or limit the operation of any provision of these Australian Rules (including any of the TOR Rules); and

- (4) If a trainer and an owner:

- (11) To the extent that there is any conflict or inconsistency between a provision of these Australian Rules (including any of the TOR Rules) and a term of the STA or the COA (including as amended, whether in accordance with TOR Rule 1(3) or otherwise), or a term of any other separate agreement made in relation to training services or a horse ownership venture (whether made in accordance with TOR Rule 1(4) or 1(5) or otherwise), these Australian Rules (including the TOR Rules) prevail to the extent of the conflict or inconsistency.
- (12) Racing Australia (including its officers and employees), each PRA (including its officers and employees) and each TDT (including its members), shall not be liable to any person, and no person shall be entitled to make any claim for damages, for any loss or damage sustained as a result of, or in any way (either directly or indirectly) arising out of, the exercise of any right, privilege, power, duty or discretion conferred or imposed, or bona-fide believed to have been conferred or imposed, under the TOR Rules.
- (13) If a dispute between a trainer and an owner arises under the TOR Rules:
 - (a) neither party may commence external proceedings in respect of the matters the subject of the dispute, save as to proceedings seeking urgent interlocutory relief, until all processes set out in the TOR Rules through which training fees and/or

- training disbursements can be recovered, or disputes in relation to them resolved or determined, have been followed; and
- (b) if a party commences external proceedings in respect of the matters the subject of the dispute, this subrule may be relied upon or pleaded by the other party as a bar to any such proceedings.

TOR Rule 2 - Powers of PRAs in relation to the TOR

- (1) A PRA shall, in addition to the powers conferred by these Australian Rules, have power, in its discretion, to put in place Local Rules, regulations, policies or procedures, and/or take steps incidental or conducive to trainers and owners of horses complying with the TOR.
- (2) Without limiting TOR Rule 2(1), a PRA has power:
 - (a) to appoint a person/s, who must have relevant experience in dealing with commercial disputes, as a TDT member for the purpose of determining disputes in relation to training fees and/or training disbursements;
 - (b) to make and enforce policies or procedures in respect of the role, powers and functions of the TDT, and any member of it;
 - (c) to freeze the payment of prize money to which an Owner would otherwise be entitled and pay that prize money to a trainer in payment of training fees and/or training disbursements due and payable to the trainer;
 - (d) to take whatever action it thinks fit (including to refuse to accept the nomination of a horse to race, or to take disciplinary action permitted by the Rules) against a person who breaches any provision of these TOR Rules or any regulations, policies or guidelines made by or pursuant to a direction of Racing Australia in relation to them;
 - (e) to require fees (including administrative, or transaction processing fees) to be paid to Racing Australia or to a PRA in connection with the TOR, including in connection with the operation of the TDT.
- (3) If there is any inconsistency between a rule contained in these TOR Rules and that contained in a PRA's Local Rules, to the extent of any conflict or inconsistency, the provision in these TOR Rules will prevail (except where a PRA makes a local rule in relation to the TDT's role and/or processes under TOR Rule 8(8)).

TOR Rule 3 - Requirement for trainers to issue a Fees Notice

- (1) (a) Subject to TOR Rule 3(3), a trainer must issue a Fees Notice to the manager within 7 days of the date on which he or she is appointed as the trainer of a horse.
 - (b) The manager must provide a copy of the Fees Notice to each owner within 5 days of being issued the Fees Notice by the trainer.
 - (c) If the manager does not object to the trainer within 14 days of being issued the Fees Notice, the basis for providing training services set out in that notice is deemed to have been accepted by the owner/s.

- (2) The Fees Notice must set out:
 - (a) the training fees itemised by category of service or item provided;
 - (b) the anticipated training disbursements by name of service and anticipated provider (if known);
 - (c) the anticipated direct payment disbursements by name of service and anticipated provider (if known);
 - (d) any additional fees the trainer proposes to charge the owner, including bonuses for winning races, or commissions on the sale of a horse; and
 - (e) whether a trainer proposes to charge interest on any unpaid training fees and/or training disbursements. The trainer is entitled to do so from the day after an amount falls due and payable, at an interest rate not more than the rate prescribed from time to time for pre-judgment interest in the Supreme Court of the State or Territory of the TDT at which any dispute in relation to training fees and/or training disbursements would be heard pursuant to TOR Rule 5(4).
- (3) If a trainer fails to issue a Fees Notice in accordance with TOR Rule 3(1)(a), the only consequence of such failure is that the trainer is not permitted to rely on the presumption of a training debt in respect of training fees and/or training disbursements relating to training services provided prior to the date on which a Fees Notice was issued.

TOR Rule 4 - Circumstances in which the presumption of a training debt arises

- (1) As a condition precedent to a trainer being able to rely on the presumption of a training debt, the trainer must provide the trainer's invoice/s in relation to training fees and/or training disbursements to the owner of the relevant horse by the 15th day of any calendar month following a period of time in which training services were provided by the trainer to the owner.
- (2) A trainer who fails to issue an invoice by the end of the 15th day of a month following a period of time in which training services were provided must wait until the subsequent month to seek to rely on the presumption of a training debt, and can then only do so if an invoice has been provided to the owner by the end of the 15th day of that subsequent month.
- (3) If an invoice is issued in accordance with TOR Rule 4(1), the owner may formally dispute the invoice (or part of it) by serving a Dispute Notice which complies with the requirements in TOR Rule 5(1) on the trainer. A copy of the Dispute Notice must also be provided to Racing Australia.
- (4) If a trainer issues an invoice in accordance with TOR Rule 4(1) and the invoice is not fully paid by the end of the month in which it is issued, then unless a Dispute Notice is provided by the owner to the trainer by the last day of the month in which the invoice is issued, the invoice is deemed to be due and payable to the trainer at the end of that month. (That is known as the presumption of a training debt against the owner).
- (5) The provision of a Dispute Notice by an owner to a trainer by the last day of the month in which the invoice the subject of the dispute is issued has the effect that the

presumption of a training debt does not arise. In that instance, unless the dispute is settled by consent, the trainer and owner each may apply in accordance with TOR Rule 5 to have the dispute heard and determined by the TDT.

TOR Rule 5 - Requirements in relation to, and the effect of, a Dispute Notice

- (1) A Dispute Notice:
 - (a) must be in a form prescribed by Racing Australia from time to time, and must provide the information required by that form;
 - (b) must clearly identify the invoice/s (or part of the invoice/s) disputed by the owner, the amount in dispute, and the grounds for the dispute;
 - (c) must be provided by an owner to a trainer with supporting documentation (to be enclosed with the Dispute Notice) that the owner intends to rely on in relation to the dispute;
 - (d) must be served on the trainer, with a copy also required to be provided by the owner to Racing Australia:
 - (i) subject to TOR Rule 5(1)(e) and TOR Rule 6(2), within 6 months of the date of the relevant invoice; and
 - (ii) by the last day of the month in which the relevant invoice is issued if the owner wishes to prevent the presumption of a training debt arising; and
 - (e) must not be served on the trainer after an EAA is filed with Racing Australia by the trainer under TOR Rule (6)(1), and any purported service of a Dispute Notice after that time will not be valid.
- (2) If a Dispute Notice challenges part, but not the whole of an invoice issued by a trainer to an owner, the owner must pay to the trainer the part not in dispute by the last day of the relevant month in which the invoice is issued in accordance with TOR Rule 4(1). Failing that, the part not in dispute is deemed due and payable to the trainer at the end of the month in which the invoice is issued.
- (3) Once a Dispute Notice is served by an owner on a trainer in accordance with TOR Rule 5(1), each has the right to elect to have the dispute determined by a TDT by filing a Notice of Election of Hearing with Racing Australia within 14 days of the Dispute Notice being served, with a copy also required to be served on the other party to the dispute.
- (4) Once a Notice of Election of Hearing is filed with Racing Australia, it will allocate the matter to the TDT of the relevant PRA as follows:
 - (a) the matter is to be allocated to the PRA of the State or Territory in which the trainer who is party to the dispute is licensed to train horses;
 - (b) if the trainer is licensed in more than one State or Territory of Australia, the matter is to be allocated to the PRA of the State or Territory in which the horse the subject of the dispute (or a majority of the horses where there is more than one horse the subject of the dispute) is predominantly located, based on the most recent Stable Return/s lodged by the trainer with Racing Australia in respect of the horse/s; and
 - (c) if the trainer is licensed in more than one State or Territory and has an equal

number of horses the subject of the dispute predominantly located in more than one State or Territory, the matter is to be allocated to the PRA that Racing Australia thinks fit.

TOR Rule 6 - Consequences if the presumption of a training debt arises

- (1) Once the presumption of a training debt arises, a trainer may file an EAA with Racing Australia (with a copy also required to be served on the relevant owner) seeking that one or more of the following consequences be applied against the owner:
 - (a) if the defaulting owner owns 50% or more of the total of the ownership of the relevant horse, that Racing Australia will not process any Stable Return seeking to transfer the horse to another trainer;
 - (b) that Racing Australia and/or the relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of the owner's share or ownership interest in the horse; and
 - (c) that Racing Australia will notify the relevant PRA/s and the PRA/s will, other than in an exceptional circumstance determined in its discretion, freeze the payment of prize money to which the Owner would otherwise be entitled, and direct payment of that prize money to the trainer owed the training fees and/or training disbursements. Subject to any exceptional circumstance determined by a PRA, the defaulting owner expressly waives any right to objecting to a PRA's payment of that prizemoney to the trainer.
- (2) Once an EAA is filed with Racing Australia by a trainer under TOR Rule 6(1), an owner is not permitted to serve a Dispute Notice on the trainer and any purported service of a Dispute Notice after that time will not be valid.
- (3) Once an EAA is filed with Racing Australia by a trainer under TOR Rule (6)(1), unless Racing Australia or the relevant PRA, as applicable, considers that an exceptional circumstance warrants another course, each of the consequences stated in TOR Rule 6(1)(a) to 6(1)(c) which were applied for by the trainer will apply until:
 - (a) the relevant training fees and/or training disbursements which are due and payable are paid to the trainer;
 - (b) the trainer notifies Racing Australia that the trainer has come to a settlement with the owner in relation to the disputed amount; or
 - (c) the owner notifies Racing Australia that the owner has come to a settlement with the trainer in relation to the disputed amount and provides sufficient evidence (as determined by Racing Australia in its sole discretion) of such settlement.
- (4) A trainer must notify Racing Australia in writing within 24 hours of becoming aware of having received payment from an owner of any training fees and/or training disbursements referred to in an EAA, and/or of becoming aware of the settlement with the owner of a dispute in respect of training fees and/or training disbursements the subject of an EAA.
- (5) If, in respect of a horse owned or part owned by an owner:
 - (a) the horse is transferred from one trainer to another trainer;
 - (b) the owner owes training fees and/or training disbursements to both trainers; and
 - (c) both trainers have filed an EAA/s pursuant to TOR Rule 6(1)(c),
 - the earlier of the EAA/s filed will take precedence in respect of freezing the payment of prizemoney to which the owner would otherwise be entitled and directing payment of that prizemoney to the trainers.

- (6) Subject to subrule (7), if an EAA has been applied by Racing Australia and/or a PRA against an owner under this rule at any time (including prior to the commencement of this subrule), while that EAA remains in place: (added GG 27/7/21 effective 1/8/21)
 - (a) that owner must not, either directly or indirectly, acquire an interest in another horse and/or lodge with Racing Australia or a PRA in respect of another horse:
 - (i) a Foal Ownership Declaration;
 - (ii) a registration application;
 - (iii) a transfer of ownership application, except for the purpose of that owner selling his or her interest in another horse; or
 - (iv) a lease application; and
 - (b) Racing Australia and/or a PRA must not process any such application or lodgment.
- (7) Racing Australia and/or a PRA (as applicable) may waive any prohibitions in subrule (6) if they are of the opinion that such waiver will assist in reducing the relevant owner's training fees and/or training disbursements debt. (added GG 27/7/21 effective 1/8/21)

TOR Rule 7 - Further trainer rights (when the presumption of a training debt has not arisen)

- (1) If, despite the presumption of a training debt not having arisen, a trainer contends that training fees and/or training disbursements are due and payable to the trainer in respect of a horse, the trainer may object by written notice provided to Racing Australia to the transfer of the horse from the trainer to another trainer, or to the transfer of an ownership interest in the horse from one owner to another. A copy of that written objection must also be served on the relevant owner.
- (2) If a trainer objects pursuant to TOR Rule 7(1):
 - (a) the following consequences apply:
 - (i) Racing Australia will notify the relevant owner of the objection;
 - (ii) if the owner owns 50% or more of the total ownership of the relevant horse, Racing Australia will not process any Stable Return seeking to transfer the horse to another trainer; and
 - (iii) Racing Australia and/or the relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of an owner's ownership interest in the horse.
 - (b) the consequences stated in TOR Rule 7(2)(a)(ii) and 7(2)(a)(iii) will cease after 5 business days unless the trainer provides Racing Australia with copies of the invoice/s outstanding to the trainer (clearly identifying the parts of them alleged to be due and payable to the trainer) within 5 business days of the proposed transfer (which period is not to be extended in any circumstance);
 - (c) upon receipt of that information, Racing Australia will notify the relevant owner who may then either:
 - (i) pay the amount of the invoice/s to Racing Australia (in which case Racing Australia will pay those funds to the trainer and Racing Australia and/or the relevant PRA, as applicable, will process the relevant transfer request); or
 - (ii) serve a Dispute Notice on the trainer (with a copy also required to be provided to Racing Australia). Once that is done, either party may elect to have the matter determined by the TDT by filing a Notice of Election of Hearing with Racing Australia within 14 days of the date of issue of the Dispute Notice (with a copy also required to be served on the other party). However, a Notice of Election of Hearing will only be valid and accepted by Racing Australia if the

Dispute Notice related to the dispute was served within 6 months of the date of the invoice the subject of the dispute.

(3) If an owner serves a Dispute Notice in the circumstances referred to in TOR Rule 7(2)(c)(ii), and the owner still wishes for the relevant transfer to proceed without delay, the owner can pay the amount of the disputed invoice/s into the Training Disputes Trust Account pending determination of the dispute, at which point Racing Australia and/or the relevant PRA, as applicable, will process the relevant transfer.

TOR Rule 8 - Training Disputes Tribunal

- (1) If an owner has served a Dispute Notice on a trainer in accordance with TOR Rule 5(1), either of them may, within 14 days of the service of the Dispute Notice, elect to have the dispute determined by a TDT by paying the filing fee to Racing Australia and at the same time filing a Notice of Election of Hearing with Racing Australia and serving it on the other party to the dispute. Once a valid Notice of Election of Hearing is filed with Racing Australia, it will transfer the filing fee to the PRA allocated the dispute in accordance with TOR Rule 5(4).
- (2) A Notice of Election of Hearing will only be valid and accepted by Racing Australia if the Dispute Notice related to the dispute was served within 6 months of the date of the invoice the subject of the dispute and before any EAA was filed by the trainer.
- (3) When a valid Notice of Election of Hearing is received by Racing Australia from an owner or a trainer, then the consequences set out in TOR Rule 7(2)(a)(ii) and 7(2)(a)(iii) will apply unless the amount disputed in the Notice of Election of Hearing has been paid by the owner into the Training Disputes Trust Account pending resolution of the relevant dispute.
- (4) The TDT may make directions in relation to the preparation of the dispute for hearing as the TDT sees fit, except that a hearing on the papers can only take place if all parties agree to it.
- (5) In relation to an oral hearing before the TDT:
 - (a) there is no immediate right to legal representation before the TDT; and
 - (b) the TDT may grant permission to the trainer and/or owner to be legally represented if in the opinion of the TDT that is warranted having regard to one or more of the following matters:
 - (i) the complexity of the issues arising on the dispute;
 - (ii) the amount disputed;
 - (iii) whether or not the case is of general importance to the racing industry;
 - (iv) the interests of justice in the circumstances of the case.
- (6) In respect of a hearing before the TDT:
 - (a) the TDT:
 - (i) must, other than in exceptional circumstances, make all reasonable efforts to determine a dispute within 10 days of the hearing of that dispute; and
 - (ii) is only required to provide written reasons of the TDT's decision if at least one party to the dispute requests that;
 - (b) the decision of the TDT will be binding on all parties as a decision under these Australian Rules;
 - (c) the TDT may:

- (i) determine whether training fees and/or training disbursements must be paid and in what amount, including in relation to any amounts paid into the Training Disputes Trust Account; and/or
- (ii) recommend to any PRA that the PRA/s apply the Rules against a trainer or an owner in a manner recommended by the TDT (in which case it will then be a matter for the relevant PRA as to whether it implements that recommendation);
- (d) if either party intends to challenge the decision of the TDT by way of external proceedings, it must provide written notice of that intention to the other party, the relevant PRA, and Racing Australia within 7 days of the TDT's decision. If that is done, then from that point Racing Australia and/or the relevant PRA, as applicable, must not take any action in relation to the relevant disputed training fees and/or training disbursements until, subject to TOR Rule 8(6)(e), the outcome of the external proceedings is known;
- (e) if notice of an intention to commence external proceedings is provided in accordance with TOR Rule 8(6)(d), but the notifying party has not provided Racing Australia with evidence of the commencement of external proceedings within 28 days of the TDT's decision then:
 - (i) if the TDT has ordered that an amount be paid to a trainer in respect of training fees and/or training disbursements, the owner must pay the trainer the amount determined by the TDT within 2 days of that date (that is, within 30 days of the TDT's decision);
 - (ii) Racing Australia and/or the relevant PRA, as applicable, may take any action in relation to the relevant disputed training fees and/or training disbursements that it is permitted to take under the Rules, provided it does not receive evidence of the commencement of external proceedings before taking such action; and
 - (iii) if Racing Australia receives evidence of the commencement of external proceedings more than 28 days after the TDT's decision, then from that point Racing Australia and/or the relevant PRA, as applicable, must not take any action in relation to the relevant disputed training fees and/or training disbursements until the outcome of the external proceedings is known.
- (f) if notice of an intention to commence external proceedings is not provided in accordance with TOR Rule 8(6)(d), and the TDT has ordered that an amount be paid to a trainer in respect of training fees and/or training disbursements, the owner must pay the trainer the amount determined by the TDT within 7 days of the TDT's decision;
- (g) an unsuccessful party to an application before the TDT must bear the cost of the relevant filing fee in respect of that application;
- (h) further to TOR Rule 8(6)(g), if the trainer succeeds before the TDT and the proceeding was commenced by the trainer, the unsuccessful owner must pay the successful trainer an amount equivalent to the filing fee within 7 days of the TDT's decision;

- (i) further to TOR Rule 8(6)(g), if the owner succeeds before the TDT and the proceeding was commenced by the owner, the unsuccessful trainer must pay the successful owner an amount equivalent to the filing fee within 7 days of the TDT's decision; and
- (j) other than as provided in TOR Rule 8(6)(g) to 8(6)(i), the parties to a dispute before the TDT must bear their own costs (including any legal costs) in connection with that dispute, except that the TDT retains a discretion to order that a party ("first party") pay some or all of the costs of the other party if the TDT is satisfied that:
 - (i) the first party commenced or responded to the TDT proceedings vexatiously; or
 - (ii) the first party's commencement of, or response to, the TDT proceedings had no reasonable prospect of success.
- (7) A TDT has jurisdiction to determine all issues or questions relevant to determining a dispute between a trainer and an owner/s in relation to the payment of training fees and/or training disbursements. A TDT does not have jurisdiction to determine disputes between co-owners.
- (8) Despite anything in TOR Rule 8 and TOR Rule 2(3), a PRA is entitled to make its own rules and regulations specific to its State or Territory in relation to the role and/or processes of its TDT, provided that they are procedurally fair and are not inconsistent with the overriding purpose of TOR Rule 8, being to have in place a TDT to impartially and efficiently determine disputes in respect of training fees and/or training disbursements. This subrule means that a PRA is able to make local rules inconsistent with TOR Rules 8(4) to 8(6), but only if they are procedurally fair and not inconsistent with the stated overriding purpose of TOR Rule 8.

TOR Rule 9 - Facilitating payment after a TDT decision

- (1) If a TDT makes an award in favour of a trainer:
 - (a) subject to TOR Rule 8(6)(d) and 9(2), the following consequences apply to the defaulting owner:
 - (i) if the owner owns 50% or more of the total ownership of the relevant horse, Racing Australia will not process any Stable Return seeking to transfer the horse to another trainer;
 - (ii) Racing Australia and/or relevant PRA responsible for any registration function in respect of the relevant horse will not register any transfer of the relevant owner's interest in the horse; and
 - (iii) the relevant PRA/s must, other than in an exceptional circumstance to be determined in its discretion, freeze the payment of any prize money to which the owner would otherwise be entitled.
- (2) The consequences in TOR Rule 9(1)(a) will apply until the training fees and/or training disbursements the subject of the TDT's award are paid by the owner to the trainer.

- (3) If 14 days have passed after a decision of a TDT and the trainer has not been paid by the owner as required by the decision of the TDT and informs Racing Australia of that, in addition to the consequences stated in TOR Rule 9(2):
 - (a) Racing Australia will notify the owner, the trainer and the relevant PRA/s of that, after which the relevant PRA/s must, other than in an exceptional circumstance to be determined in its discretion, pay any prize money to which the owner would otherwise be entitled to the trainer in payment of any training fees and/or training disbursements outstanding to the trainer. Subject to any exceptional circumstance determined by a PRA, the defaulting owner expressly waives any right to objecting to a PRA's payment of that prize money to the trainer;
 - (b) the relevant PRA/s will retain its powers under the Rules to take action against the defaulting owner (including to refuse to accept a nomination for a horse to race); and
 - (c) the trainer will retain the trainer's rights under the STA and at general law.
- (4) For the purposes of TOR Rule 9(1)(a)(iii) and 9(3), if the PRA of the TDT in which the decision was made notifies Racing Australia that it is not in possession of an amount of prize money to which the owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any training fees and/or training disbursements outstanding to the trainer:
 - (a) Racing Australia will notify the owner, the trainer and any other PRA/s which may be in possession of such prize money; and
 - (b) if:
 - (i) one of those PRAs is in possession of an amount of prize money to which the owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any training fees and/or training disbursements outstanding to the trainer, that PRA is a relevant PRA and Racing Australia may direct that PRA to pay any outstanding training fees and/or training disbursements to the trainer from that prize money; and
 - (ii) if more than one of those PRAs is in possession of an amount of prize money to which the owner would otherwise be entitled that is sufficient to satisfy (in whole or in part) the payment of any training fees and/or training disbursements outstanding to the trainer, those PRAs are each a relevant PRA and Racing Australia may determine the order in which one or more of those PRAs are, on Racing Australia's direction, to pay any outstanding training fees and/or training disbursements to the Trainer from that prize money.
- (5) If Racing Australia or a PRA directs prize money to which an owner would otherwise be entitled be paid to a trainer pursuant to TOR Rule (3)(a), but the disputed amount has already been paid or settled as between trainer and owner by the time that payment is made to the trainer, the trainer must refund to the owner the amount paid to the trainer by that PRA within 7 days.
- (6) A trainer must inform Racing Australia within 24 hours of becoming aware of having received payment from an owner of any training fees and/or training disbursements ordered by a TDT to be paid to the trainer.

SCHEDULE 3 - SYNDICATE RULES (SR)

SR 1 Members of Syndicates

A person is deemed to be a member of a Syndicate if the person has an ownership or lease interest with not more than 20 persons in total (or not more than 50 in total in the case of a Promoter Syndicate) in any undertaking, common enterprise, arrangement or scheme relating to the racing of one or more horses.

SR 2 Requirement of manager of a Syndicate

In order to enter or race a horse, a Syndicate must appoint a natural person as its Syndicate manager, with that person authorised to act for and on behalf of the Syndicate (to the extent permitted by the Rules and any agreement or instrument governing the Syndicate).

SR 3 PRAs may make rules or regulations in relation to Syndicates

- (1) Any person who wishes to register a Syndicate must apply to a PRA to do so, providing information required by that PRA and as required by these Australian Rules.
- (2) A PRA must approve a Syndicate's name before it can be registered and used.
- (3) Racing Australia may make or amend rules (and regulations or policies) in relation to the formation, conduct and termination of Syndicates, including but not limited to:

 - (e) the name in which a Syndicate can be registered and the powers of a PRA to register, refuse to register, or require the alteration of the name of, a Syndicate;
 - (f) the information to be provided to a PRA in relation to any additional horse to be raced by a Syndicate
 - (g) the renewal or registration of a Syndicate and related matters;

SR 4 Syndicate members bound by these Australian Rules

Every member of a Syndicate is bound by these Australian Rules (irrespective of the nature or extent of the interests or rights of the member/s in the Syndicate) and the provisions of

any rules or constitution governing the Syndicate, or any agreement between the members of the Syndicate.

SR 5 No responsibility of a PRA for the actions of a Syndicate or its members

Neither Racing Australia nor any of the PRAs have any responsibility or liability for the actions of the persons in a Syndicate or who are party to any Syndicate agreement or any other instrument relating to a Syndicate, or for the performance of any legal or equitable obligations of the members of a Syndicate.

SR 6 Limits on the registration or continued operation of a Syndicate

- (1) A Syndicate cannot be registered or continue to be registered:
 - (a) if a horse owned or leased by the Syndicate is disqualified;
 - (b) if any member of the Syndicate is a person whose interest in any horse would under these Australian Rules operate to prohibit the horse from being entered for or started in any race.
- (2) A PRA may at any time call upon the Syndicate manager or the Syndicate members to show cause why the registration of the Syndicate should not be cancelled or suspended.
- (3) If, but for this subrule, a horse would under these Australian Rules be ineligible for a race by reason of the interest of a Syndicate member, and the horse has started in or is nominated for a race, a PRA or the Stewards may (after considering the circumstances associated with the ownership, leasing or membership of the horse and any other circumstances they think fit) rule that the horse was eligible for the race in which it started or for which it is nominated.
- (4) In circumstances where a PRA or the Stewards rule a horse eligible under subrule (3), if the horse has won or wins prize money, the proportion of the prize to which the relevant Syndicate member would otherwise have been entitled will be retained by and become the property of the Club holding the meeting.

SR 7 Penalties for breach of Syndicate Rules

Without limiting any other powers or rules in these Australian Rules, if a person breaches any rule in this Schedule 3 a PRA or the Stewards may:

- (a) penalise the person; and
- (b) disqualify any horse owned or leased by the Syndicate of which the person was, at the relevant time, a member.

SR 8 Additional horses to be owned or leased by a Syndicate

If a Syndicate which wholly or partly owns or leases a horse wishes to wholly or partly own or lease an additional horse/s, a separate registration form must be lodged with the relevant PRA for each additional horse, and be accompanied by any fee prescribed by a PRA from time to time to be paid in relation to that registration.

SR 9 Promoter Syndicates

 - (b) comply with any provision of the Corporations Act in relation to the promotion, offering, or issue of shares in horses; and
 - (c) comply with the provisions and requirements of any applicable ASIC Class Order or instrument (including *ASIC Corporations (Horse Schemes) Instrument 2016/790*, or any successor to it) in relation to the promotion, offering, or issue of shares in horses.
- (2) Before an offer of shares in a horse/s is made, an AFSL holder must be recorded as a registered Promoter in the Register of Promoters held by a PRA.
- (3) Promoters must obtain approval from a PRA for each Product Disclosure Statement prior to an offer of shares in a horse being made.

SR 10 Applications for Syndicates

- (1) An application to a PRA for approval for a Syndicate to race a horse must be in writing in the form required by a PRA and:
 - (a) signed by all members of the Syndicate if the Syndicate is not a company; and
 - (b) where a company is an applicant or member of a Syndicate, signed by an authorised officer of that company.
- (2) An application to a PRA for approval for a Syndicate to race a horse must be accompanied by:
 - (a) a copy of the Syndicate agreement (except where a company is the sole applicant);
 - (b) an address to be the registered address for the Syndicate;
 - (c) the prescribed fee;
 - (d) details of registration of the Syndicate by any other PRA;
 - (e) in the case of an applicant which is an unincorporated organisation, a copy of the certificate of registration of business name and any renewal of it.

SR 11 Requirements for Syndicate agreements and their registration

- (1) A Syndicate agreement must be in a form prescribed or approved by a PRA.
- (2) A PRA may require that matters including the following be included in a Syndicate agreement:
 - (a) the name, address and date of birth of each member, and the share of each member in the horse;
