## GAP Update

At this stage we will be pausing GAP intake until we can meet the number of dogs required to leave each week to allow new dogs to come through. For this reason, we cannot honour pre-existing booking dates and will let trainers know 3-7 days before we have space for their dogs at GAP.

We understand this is frustrating for trainers, especially those who are relying on new dogs coming into their kennels. GAP will contact all trainers with an existing booking to advise them of the situation and to assure them that nobody will lose their spot in the queue. We appreciate the industry working with GAP during this time.

## Processed Discretionary Grade Drops

# FROM THE RACING MANAGER

## **Mondays in October scratching closing times**

Please note the Scratching closing time for Mondays in October is being adjusted to 8:30am.

This is due to these meetings starting earlier at around 12:30pm because of daylight savings.

## **Grade 5 Series for City Middle Distance Greyhounds**

A City Middle Distance Grade 5 series over 600m has been scheduled with the heats on October 21 and the Final on October 28.

Two (2) heats are required for the series to go ahead.

The winner of the final on 28/10/23 will gain automatic entry into the Canning Show Cup.

## **Melbourne Cup day early start**

The Melbourne Cup Day meeting will be conducted at Mandurah on Tuesday 7 November.

At the time of printing SKY are still yet to finalise the times but it is predicted that the kennelling times for this meeting will be 2:45pm – 3:45pm.

Qualifying Trials will be scheduled at this meeting and will be run as per usual in between the end of kennelling and the first race.

## **Cannington Saturday 4 November early start**

To enable the Canning Show to hold fireworks on Saturday 4 November, the race meeting will start earlier than normal.

At the time of printing SKY are still yet to finalise the times but it is predicted that the kennelling times for this meeting will be 2:45pm – 3:45pm.

## **Mandurah Track Update**

As we near the practical completion phase of the project, updates will be provided in Kennel Notes outlining when trialling will begin at Mandurah.

In terms of a potential return to racing date, the race programmes contain a tentative Friday 27 October Mandurah race program. This will be subject to change as it will depend on the project finishing on time, stewards approvals and the trialling period.

# GREYHOUND INJURY FULL RECOVERY SCHEME (GIFRS)

Under GIFRS the ownership of a greyhound sustaining an eligible injury at a race meeting, or official trial, is transferred to RWWA's Greyhounds as Pets (GAP) program, following which the injured greyhound is transported to emergency care and all associated costs of surgery and rehabilitation are covered by RWWA. If suitable, the greyhound will then be rehomed post recovery through GAP's standard processes. To enter this scheme the managing owner is required to make a co-contribution of \$250. This scheme complements the Greyhound Injury Surgery Rebate (GISR), where RWWA offers a financial contribution, for eligible cases, to help the trainer and owner pay for the costs of veterinary care and rehabilitation.

# RACING IN WESTERN AUSTRALIA IS A THRIVING COMMUNITY.

At its heart are the wonderful racehorses and greyhounds that bring it to life.

Sheer excitement and enjoyment aside, there is one overriding reason why about 24,500 people are part of the Western Australian racing world.

Animals are everything to us.

We respect and advocate for the animals of the industry, with constantly evolving welfare standards and regulations to protect their wellbeing.

We are passionate people. We are dog people. We are horse people.
