

# GREYHOUND RECOVERY INITIATIVE

## Public Trials

- Trial Supervisor completes Form B (Part A) and provides the original form to the person responsible.
- Trial Supervisor sends a copy of Form B (Part A) to [animalwelfare@rwwa.com.au](mailto:animalwelfare@rwwa.com.au) within 48 hours.

- Person responsible transports the greyhound to the clinic of their choice for immediate diagnostic assessment.

- Off-course vet discusses all clinical decisions with the person responsible.

- Off course vet completes Form B (Part B) and returns the original to the person responsible.
- If treated by GRI-contracted vet clinic, vet clinic lodges the form directly with RWVA.
- If treated by an alternative vet clinic, person responsible lodges form (with invoices and payment receipt) via email to [animalwelfare@rwwa.com.au](mailto:animalwelfare@rwwa.com.au) within 28 days post-discharge.

- Person responsible arranges appropriate rehabilitation for the greyhound as per aftercare instructions from off-course vet.
- Person responsible completes Form C with treating veterinary surgeon and sends it to [animalwelfare@rwwa.com.au](mailto:animalwelfare@rwwa.com.au) at the end of the prescribed rehabilitation period.

- Person responsible remains responsible for rehoming the greyhound if not kept as a pet or for breeding purposes.
- Eligibility for admission to GAP will be as per the requirements of GAP's current intake procedures.
